Gonzales-Hearn, William E. Hearn, 2018-03-09 If you are one of the 2 000 000 students who take the ACT each year and fail to earn a score over 25 this guide is for you It is an easy to follow ACT prep guide that will help you to easily earn an ACT score of 31 or higher Why did I write this book Think about it The best students are taking the ACT and 90% fail to earn a scholarship winning score That means students are not getting the chance to earn a better living and must suffer diminished lifestyles or take on the horrendous burden of student loans I just find that unacceptable when there is a way to beat this stupid test The ACT Made Easy is designed to make taking the ACT easy so that you can earn your SCHOLARSHIPS SPOILER ALERT It isn't necessary to earn a perfect 36 on your ACT to earn serious scholarships and grants If you are stuck at a score of between 19-25 this guide will empower you to easily boost your score to between 26-32 the Golden Range for scholarships This book is to be used in conjunction with The Official ACT Prep Guide 2016-2017 by Wiley along with our YouTube Channel that is linked throughout the book Always use genuine ACT practice tests to practice Regardless of how you have done before you too can earn over 28 points on your ACT My students do it in my academy every day The proprietary methods taught in this book simplify the ACT and remove all confusion from the questions When you follow the procedures and apply the rules in this book answering questions is fast and EASY My students often say But this is too easy It's like the test is giving me the answers Of course it does The test GIVES you all of the answers The ACT is multiple choice test Now you may think that the ACT is perhaps one of the most important and difficult tests any student can take and it does often causes the most stress

and anxiety because students believe they must earn a perfect score to beat out the competition to get accepted to a good college or university but that doesn't necessarily mean that it is a hard test. Although that IS the common perception with over 10 years of college test prep and college placement experience I assure you that the common perception is wrong. My students prove it in class every day. The truth is that the ACT is the EASIEST test you will ever take when you know how to take it. You see although the ACT is an important test once you know HOW to take the ACT it is the easiest test you will ever take. The ACT is based on very specific structures and rules and when you know how the test is designed it is super easy to get a high score. In fact students who follow my step by step procedures laugh out loud when they realize just how EASY earning a high score on the ACT really is. Again the ACT is based on very specific rules and structures and if you know those rules and structures you can easily answer questions quickly and accurately. Give these methods a try and you will see that they work for you too. In this book you will find an easy to follow step by step plan that will simplify the questions by giving you very specific procedures and rules to follow that will enable you to raise your score with as little effort as possible. In *The ACT Made Easy* you will learn How to manage your time for a stress free test. How to recognize precisely what the questions are testing. Specific procedures and rules for answering each question type. How to confidently remove wrong choices using the rules. The study skills that make ALL tests and doing your homework easy. Little life lessons that will bring you continued success and prosperity. ACT is a registered trademark with whom we have no affiliation. [Pass Key to the ACT](#) Brian W. Stewart, 2016-04-01.
