

### The Scarlet Letter Study Guide Answer Sheet

1. What is the setting of *The Scarlet Letter*?  
*The novel is set in Boston and the surrounding area (Salem, Massachusetts) in the early to mid-seventeenth century.*
2. What is the significance of the wild rosebush that grows beside the prison door?  
*The rosebush, being wild, was "planted" by nature and not by humans. This one bit of Beauty juxtaposed with the ugliness of the prison door represents the Romantic notion of a Nature that is sympathetic to human frailty and imperfection.*
3. For what sin is Hester Prynne condemned?  
*Hester Prynne is guilty of adultery.*
4. What is the public view of Hester's sin as expressed by the women outside the prison? What do their comments suggest about this society?  
*Generally, the women feel that Hester's punishment is too lenient. Some desire death while others assert that Hester should at least be branded with a hot iron. The women's comments suggest that the society is much more deeply concerned with punishment than with compassion and forgiveness.*
5. What is Hester's punishment?  
*Hester is to stand on the scaffold as a "spectacle of guilt and shame" for three hours and to wear a scarlet "A" for the rest of her life.*
6. What is surprising about the "A" Hester has sewn for herself? What might this indicate?  
*One would expect a badge like Hester's "A" would be as small as legally allowed and very plain—certainly nothing the wearer would want to call attention to. On the contrary, Hester has made her "A" large and beautiful, almost gaudy. This might indicate either that Hester does not consider her "sin" to be really wrong or that she is fiercely independent and strong in the face of her wrongdoing.*
7. What purpose does the conversation between the townsman and the stranger at the beginning of this chapter serve?  
*Hawthorne uses the conversation to provide needed exposition about Hester, her missing husband, and the circumstances of her adultery.*
8. Who is Dimmesdale? What appeal does he use to convince Hester to reveal the baby's father?  
*Dimmesdale is the village's young minister. Dimmesdale argues that Hester would be doing the baby's father a kindness by revealing him, for then he would no longer live with hypocrisy and sin.*
9. Explain Chillingworth's attitude toward Hester.  
*Chillingworth takes partial blame for her situation and realizes that he should not have married a young woman and expected her to be faithful.*
10. Give two reasons why Hester decides to remain instead of moving to a less-restrictive colony.  
*Hester wishes to remain close to her secret lover. She also feels that remaining in Boston will help purge her soul of the sin.*
11. Hester believes that, while society punishes her for sinning, God has a different reaction. How does Hester explain Pearl's existence?  
*Hester believes that Pearl is both a punishment—the physical incarnation of the scarlet letter—and a gift from God. Hester's sin has cut her off from all human society; and it is only through Pearl that she maintains any contact with her fellow humans.*
