*Satan's Counterfeit Prophecy* Heidi Heiks, 2013 This study is more about what the fifth and sixth trumpets of Revelation are not rather than what they are After all it is premature to speak of what they are when the generally accepted view is built upon a platform of error It is this fog of error that must first be lifted before we as a church can move forward united in our message to the world as we rightly present the warning messages of the trumpets of Revelation to a dying world This study comes at a critical time as the sixth trumpet of Revelation has its application in force in this present period of earth s history and will continue so until the close of probation as we will prove The seventh trumpet of Revelation as will be shown is when Jesus receives His kingdom The administration of the seven last plagues will follow climaxing with the second coming of Christ in the clouds of heaven
