## **A Million Little Pieces:**

*A Million Little Pieces* James Frey, 2005-09-22 NATIONAL BESTSELLER A gripping memoir about the nature of addiction and the meaning of recovery from a bold and talented literary voice Anyone who has ever felt broken and wished for a better life will find inspiration in Frey's story People A great story You can't help but cheer his victory Los Angeles Times Book Review By the time he entered a drug and alcohol treatment facility James Frey had taken his addictions to near deadly extremes He had so thoroughly ravaged his body that the facility's doctors were shocked he was still alive The ensuing torments of detoxification and withdrawal and the never ending urge to use chemicals are captured with a vitality and directness that recalls the seminal eye opening power of William Burroughs's *Junky* But *A Million Little Pieces* refuses to fit any mold of drug literature Inside the clinic James is surrounded by patients as troubled as he is including a judge a mobster a one time world champion boxer and a fragile former prostitute to whom he is not allowed to speak but their friendship and advice strikes James as stronger and truer than the clinic's droning dogma of How to Recover James refuses to consider himself a victim of anything but his own bad decisions and insists on accepting sole accountability for the person he has been and the person he may become which runs directly counter to his counselors recipes for recovery James has to fight to find his own way to confront the consequences of the life he has lived so far and to determine what future if any he holds It is this fight told with the charismatic energy and power of *One Flew over the Cuckoo's Nest* that is at the heart of *A Million Little Pieces* the fight between one young man's will and the ever tempting chemical trip to oblivion the fight to survive on his own terms for reasons close to his own heart

Pieces is a dazzling account of a life destroyed and a life reconstructed It is also the introduction of a bold and talented literary voice **Text, Lies and Cataloging** Jana Brubaker,2018-07-10 What do James Frey's A Million Little Pieces Margaret B Jones Love and Consequence and Wanda Koolmatrie's My Own Sweet Time have in common None of these popular books are what they appear to be Frey's fraudulent drug addiction memoir was really a semi fictional novel Jones chronicle of her life in a street gang was a complete fabrication and Koolmatrie was not an Aboriginal woman removed from her family as a child as in her seemingly autobiographical account but rather a white taxi driver named Leon Carmen Deceptive literary works mislead readers and present librarians with a dilemma Whether making recommendations to patrons or creating catalog records objectivity and accuracy are crucial and can be difficult when a book's authorship or veracity is in doubt This informative and entertaining study addresses ethical considerations for deceptive works and proposes cataloging solutions that are provocative and designed to spark debate An extensive annotated bibliography describes books that are not what they seem *A Study Guide for James Frey's "A Million Little Pieces"* Gale, Cengage Learning,2016 A Study Guide for James Frey's A Million Little Pieces excerpted from Gale's acclaimed Literary Newsmakers for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Literary Newsmakers for Students for all of your research needs **Boom!** Julie Rak,2013-06-15 Since the early 1990s tens of thousands of memoirs by celebrities and unknown people have been published sold and read by millions of American readers The memoir boom as the explosion of memoirs on the market has come to be called has been welcomed vilified and dismissed in the popular press But is there really a boom in memoir production in the United States If so what is causing it Are memoirs all written by narcissistic hacks for an unthinking public or do they indicate a growing need to understand world events through personal experiences This study seeks to answer these questions by examining memoir as an industrial product like other products something that publishers and booksellers help to create These popular texts become part of mass culture where they are connected to public events The genre of memoir and even genre itself ceases to be an empty classification category and becomes part of social action and consumer culture at the same time From James Frey's controversial A Million Little Pieces to memoirs about bartending Iran the liberation of Dachau computer hacking and the impact of 9/11 this book argues that the memoir boom is more than a publishing trend It is becoming the way American readers try to understand major events in terms of individual experiences The memoir boom is one of the ways that citizenship as a category of belonging between private and public spheres is now articulated **Summary of James Frey's A Million Little Pieces** Everest Media,2022-04-04T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I wake up four hours later and I head to the kitchen to get some water I find an unopened half gallon bottle of whiskey in the cabinet I drink it and blackness comes
