Testaments Dr Jeon delves into the grand redemptive drama progressively demonstrated through the divine covenants as well as the manifestation of the eschatological Kingdom of God This book provides not only a proper redemptive historical vision of the Bible from Genesis to Revelation but also key ideas for the formation of a solid biblical worldview Dr Jeon demonstrates the intersection and union between biblical and systematic theology while exploring redemptive history Dr Jeon also emphasizes that we currently live in the eschatological age inaugurated after Jesus Christ s death and resurrection as the Mediator of the New Covenant This inaugurated eschatological Kingdom of God will be consummated after the Second Coming of Jesus Meanwhile the present age is occurring during the last days in which we live in the era of Global Missions by God s grace The community of the New Covenant church should humbly respond by participating in evangelism and missions demonstrating to the world that God s final judgment is coming    **Biblical Eschatology** Jeong Koo Jeon,2021-10-01 Jeon s Biblical Eschatology explores the pattern of covenant eschatology demonstrated and revealed in the Bible throughout redemptive history In a sense it is a revolutionary method to freshly examine and look at the entire redemptive history from the perspective of covenant eschatology because the Bible itself is the covenantal canon Readers will marvel at how the author unpacks the pictorial pattern of covenant eschatology progressively revealed in the Bible As we live in the Global

Mission Age under the grace of God it is vitally important and necessary to have a proper view of eschatology Jeon s book will guide believers to a biblically balanced understanding of eschatology and properly equip them with a biblical covenantal and eschatological worldview to live their lives for the glory of God actively participating in the Global Mission under the guidance of the Holy Spirit as we eagerly wait for the second coming of Jesus Christ    **New Testament Greek Primer**
