A Profile Of Kenyan Entrepreneurs:

A Profile of Kenyan Entrepreneurs Waithaka, Wanjiru, Majeni, Evans, 2014-12-04 *A Profile of Kenyan Entrepreneurs* profiles a dozen of Kenya's most successful entrepreneurs across a variety of industries manufacturing pharmaceuticals agriculture ICT retail media and entertainment to name a few It is a collection that proves that when there is money to be made you cannot beat a good entrepreneur no matter how deprived his or her background Be inspired by stories that illustrate the triumph of hope over means and the resilience of the human spirit in the face of seemingly insurmountable odds Find out how they got to where they are the pitfalls and challenges along the way and how they made and lost millions Through their eyes you will get a fascinating glimpse into Kenya's history and the events that shaped business in the colonial pre and post independence periods In this first book of its kind Kenyan entrepreneurs tell it all the good the bad and the ugly From the building of the Kenya Uganda railway the state of emergency in 1952 and the crackdown on Mau Mau fighters the coffee boom and policy of Africanisation in the 1970s to the political corruption in the 1980s the decline of the Kenyan economy in the 1990s and the modicum of hope in 2000s And best of all a section on tips for aspiring entrepreneurs where they tell you how to achieve their level of success *Support for Growth-oriented Women Entrepreneurs in Kenya* Lois Stevenson, Annette St-Onge, 2005 The African Development Bank's AfDB Addis Ababa Forum in June 2003 focused on the role of women entrepreneurs in private sector development poverty reduction and sustainable growth and development It provided an opportunity for the AfDB and the International Labour Office ILO to join forces using their complementary expertise in support of women owned businesses in Tanzania Ethiopia and Zambia This report is based on the country assessment for Kenya where the ILO has been researching and supporting women's entrepreneurship Examining such issues as the economic context micro finance **Business and Social Crisis in Africa** Antoinette Handley, 2019-11-21 Much of the time when confronted with a crisis of national dimensions businesses do exactly what we expect them to do they look to their own survival Occasionally however firms in some contexts go beyond this Based on qualitative country based fieldwork in Eastern and Southern Africa Antoinette Handley examines how African businesses can be key responders to wider social and political crises often responding well in advance of the state She reveals the surprising ways in which business responses can be focused not on short term profits but instead on ways that assist society in resolving that crisis in the long term Taking African businesses in Kenya Uganda Botswana and South Africa as case studies this detailed exploration of the private sector response to crises including HIV AIDS and political violence crises introduces the concept of relative business autonomy exploring the conditions under which it can emerge and develop when and how it may decline and how it might contribute to a higher level of overall societal resilience *City Boy: Chronicles of a Nairobi Life* Dr. Frank Njenga, 2025-05-22 The mention of an African autobiography often evokes images of a want and penury a childhood sullied by poverty and hopelessness and the predictable rags to riches narrative Not so for City Boy In this bold and refreshing account

Dr Frank Njenga a leading psychiatrist and author weaves a compelling tale of growing up in an affluent neighbourhood attending a once European only school enjoying foreign travel in childhood and all the trappings of a good upbringing His account of the Mau Mau period as well as the post independence era is captivating With candour and charm he invites readers into the world that shaped him a world of books travel privilege and the rich tapestry of people who influenced his journey It is a story that turns tables on the notion that rural poverty and adversity in childhood are the building blocks of a successful life Rather City Boy offers a new lens through which to view adolescence in the 1960s personal ambition and what it takes to scale the heights of professional growth In City Boy Dr Njenga rewrites the script on success with elegance honesty and a rare clarity of thought *Obama Senior* Fredrick Donde,2015-08-06 On January 20 2009 Barack Hussein Obama made history as the first African American president of the United States of America since its founding in 1776 Around the world people celebrated his election as if he were one of their own and held exceedingly high expectations of his presidency When as senator of Illinois he visited his fathers village in Nyangoma Kogelo in Kenya he was struck by the ecstatic reception that the people accorded him He was deeply touched by the abject poverty and fullness of spirit of the people The level of need and the challenges that he witnessed in the poor neighbourhoods of Chicago in the US in Indonesia and Kenya may have significantly contributed to his spirited drive to the White House In this book the author re traces the life of Barack Obama Senior and how his character vision and intellect influenced his sons drive to the most powerful office in the land In so doing the author revisits the events in pre and post colonial Kenya and how these too had a bearing on the life of Obama Senior The book also relates the history of his people the Luo from their original settlements along the Nile in Egypt and the Sudan to their present homelands in East Africa and the Great Lakes region It details the often tragic and ultimately triumphant struggle of a people in pursuit of a just peaceful and progressive society **Thus Until** Emilia Ilieva,Reuben Matheka,2025-08-04 Thus Until A History of Egerton University is a thorough historical chronological and well researched account of Egerton University from a whites only college when it started in 1939 through to the expansion it has experienced over the years culminating in being a full university More than any other university in Kenya Egerton has a long and colourful history but like all the other universities it has suffered from the political economic and financial challenges of the time especially since the double intake of the 1990s Chapter One provides the required background to the study highlighting agricultural and educational policies and steering away from the Happy Valley hype so characteristic of the period The reader will learn about the Egerton family in Chapter Two and particularly about Lord Egerton himself and the colonial circumstances within which he lived The chapter dispels some of the popularly held myths about him Chapter Three deals with the beginnings of the college and the various structural and curriculum experiments tried out and the kind of enrolment and students it experimented with as an all white establishment The chapter ends with Africans beginning to agitate for change With great attention to detail the later chapters put the university in a broader local and international

context thereby increasing its relevance to society A History of Egerton University though heavily footnoted and with a detailed bibliography is written in a simple easy flowing and accessible style **Breaking the Illusions** Sicily Kariuki,2024-02-08 Breaking the Illusions is the story of resolve and grit in the face of seemingly insurmountable challenges In this tell all book the author paints an insider s view of government exposing the odds that are inexorably ranged against those who challenge the status quo and are perceived to be all powerful Hers is the intriguing story of a mistaken tag that at once opens multiple warfronts with shadowy detractors and opens previously unimaginable doors The author provides a window into statecraft in a way that leaves the reader researchers ministers and even serving and aspiring public servants the richer **Doctor at Heart** Dan Gikonyo,2024-09-24 Doctor at Heart is not just about Dr Gikonyo s life journey but it also delves into pertinent social economic and political issues at the local and global levels The author criss crosses generations and in so doing presents their respective opportunities and challenges while at the same time advancing theories and worldviews that the reader will find very engaging The book also brings out the authors multiple skills each of which he pursues with a passion His authentic search for solutions to the challenges of life aptly depict him as a Doctor at heart Notably Dr Gikonyo emphasises some of the elements of transformation that he envisages for Kenya through a never before published interview of Mwai Kibaki a transcript of which is included in the book Kenya National Bibliography Kenya National Library Service.
