Announcements of Plot in Genesis Laurence A. Turner,1990-01-01

**Victim and Victimizer** Yiu-Wing Fung,2000-06-01

This book attempts an interesting exercise in character analysis It scrutinizes the speeches of Joseph in such a way as to expose the problematic nature of his claims to know God s intentions While Judah is forced by Joseph s test to choose slavery for the sake of his father s survival the ironic reversal of Judah s role from victimizer to victim is undercut by the rationale by which he had Joseph sold in order to save him Unwittingly Joseph mistakes this rationale as a divine principle that undergirds his suffering and he dreams of domination for the same purpose of survival He is unaware of Judah s real predicament and this double blindness calls into doubt the coalescence of perspectives of Joseph and the narrator

**Interludes and Irony in the Ancestral Narrative** Jonathan A.

Kruschwitz,2020-12-18 The stories of Hagar Dinah and Tamar stand out as strangers in the ancestral narrative They deviate from the main plot and draw attention to the interests and fates of characters who are not a part of the ancestral family Readers have traditionally domesticated these strange stories They have made them familiar all about the ancestral family Thus Hagar s story becomes a drama of deselection Shechem and the Hivites become emblematic for ancestral conflict with the people of the land and Tamar becomes a lens by which to read providence in the story of Joseph This study resurrects the question of these stories strangeness Rather than allow the ancestral narrative to determine their significance it attends to each interlude s particularity and detects ironic gestures made toward the ancestral narrative These stories contain within them the potential to defamiliarize key themes of ancestral identity the ancestral divine relationship ancestral relations to the land and its inhabitants and ancestral self identity Perhaps the ancestral family are not the only privileged partners of God the only heirs to the land or the only bloodline fit to bear the next generation

*How God Forms Abraham to Be a Blessing* Qiang Fu,2023-02-22 This

book aims to understand God s interactions with Abraham in relation to God s command that Abraham be a blessing Gen 12 2d which is directly tied to God s goal that in you all the families of the earth will be blessed Gen 12 3b The book proposes a

formative narrative approach to examine interactions between character and plot the movement of plot and the connection between sequential plots An analysis of thirteen Abrahamic narratives Gen 12 22 suggests a classification based on four different types of interactions between God and Abraham which indicate how cooperation and conflict between God and

Abraham advance the narrative s plot The book then proposes a narrative discourse analysis to examine how Abraham

evolved through different stages of the narrative by moving from deviation to cooperation Detailed analysis of this transformation process reveals three turning points in Abraham's life The formative narrative approach and narrative discourse analysis proposed in this book can contribute to the analysis of two important aspects of Old Testament narratives the formation of plot and the cause and effect structure in narrative discourse     *The Catholic Biblical Quarterly* Wendell Stephen Reilly, 1993 Includes various reports of the Association     Old Testament Abstracts ,1991     **Present Patterns, Past Tense** Benjamin Carl Withers, 1994     **Literary-critical Approaches to the Bible** Mark Minor,1992     **The Evangelical Quarterly** ,2000     **Eternal Covenant" in the Pentateuc** Steven D. Mason,2008-09 This book provides the reader a uniquely comprehensive and exegetical study of eternal covenant It answers questions involving eternal covenant in the Bible by beginning with an exegetical study of Berit Olam in the Pentateuch The study reveals that Berit Olam actually represents a bilateral and conditional arrangement that reflects certain common themes as it is used within distinct passages

**New Dictionary of Biblical Theology** T. Desmond Alexander,Brian S. Rosner,2000 This dictionary integrates the various biblical books and themes into the overarching story of the Scriptures The volume embodies three perspectives on biblical theology fundamental issues individual books and important theological themes     **Critical Review of Books in Religion** ,1992     Jews, Christians, and the Theology of the Hebrew Scriptures Alice Ogden Bellis,Joel S. Kaminsky,2000

**Narrative in the Hebrew Bible** David M. Gunn,Danna Nolan Fewell,1993 After almost two centuries of historical criticism biblical scholarship has recently taken major shifts in direction most notably towards literary study of the Bible Much germinal criticism has taken as its primary focus narrative texts of the Hebrew Bible the Old Testament This book belongs in this movement and provides a lucid guide to its interpretative possibilities It tries to be both theoretical and practical combining discussion of method and the business of reading in general with numerous illustrations through readings of particular texts The opening chapter indicates how literary criticism is related to other dominant ways of reading the text over the last two thousand years using as an example the story of Cain and Abel In subsequent methodological chapters the authors discuss characters not excluding the narrator and God plot modifying recent theory to accommodate the peculiar complexity of biblical narratives and the play of language through repetition ambiguity multivalence metaphor and intertextuality The concluding chapter on readers and responsibility explores the ideological dimension of narrative interpretation with particular attention to Genesis 1-3 a story which has generated much discussion about gender and social hierarchy Does this text define or challenge the status quo of either the ancient or the modern world The authors lay out some of the debate and question what values are at work when we and others read and champion readings Other extended readings include the stories of Abraham and Sarah and of Tamar and Judah in Genesis the book of Jonah and the account of Nebuchadnezzar and the three Jews thrown into the fiery furnace from the book of Daniel An extensive bibliography completes the book arranged by subject and biblical text     The Bright Side of Life Ellen van Wolde,2000 Concilium has

long been a household name for cutting edge critical and constructive theological thinking. Past contributors include leading Catholic scholars such as Hans Küng, Gregory Baum and Edward Schillebeeckx and the editors of the review belong to the international who's who in the world of contemporary theology. *The Bible and Modern Literary Criticism* Mark Powell, Cecile G. Gray, 1992-02-28. The heart of the bibliography is a comprehensive listing of literary and critical studies of biblical texts followed by a discussion of works that evaluate the reception of modern literary criticism in the world of biblical studies. **Journal of Northwest Semitic Languages**, 2000
