Another World Is Possible If:

Another World Is Possible If . . . Susan George,2004-09-17 An accessible no holds barred analysis of globalization movements for social change and justice and alternate strategies

Another World Is Possible If . . . Susan George,2020-05-05 Participants in the worldwide citizens movement for social change and global justice like to proclaim that Another World Is Possible But is it To this popular slogan Susan George adds a cautionary If and suggests how we can indeed reach that other world Whether you are a seasoned campaigner and confirmed world changer someone who wonders how you can join in the growing citizens movement or someone who simply wants to know what this movement is about this book is for you You will discover that we are not condemned to glaring North South inequalities obscene wealth gaps environmental destruction or inordinate power remaining in the hands of a small minority if

Transnationalism and Translation in Modern Chinese, English, French and Japanese Literatures Ryan Johnson,2020-12-15 The theory of literary worlds has become increasingly important in comparative and world literatures But how are the often contradictory elements of Eastern and Western literatures to cohere in the new worlds such contact creates Drawing on the latest work in philosophical logic and analytic Asian philosophy this monograph proposes a new model of literary worlds that is best suited to comparative literature dealing with Western and East Asian traditions Unlike much discussion of world literature anchored in North American traditions featured here is the transnational work of artists philosophers and poets writing in English French Japanese and Mandarin in the twentieth century Rather than imposing sharp borders this book suggests that vague boundaries link Eastern and Western literary works and traditions and that degrees of distance can better help us to see the multiple dimensions that both distinguish and join together literary worlds East and West As such it enables us to grasp not only how East Asian and Western writers translate one another s works into their own languages and traditions but also how modern writers East and West modify their own traditions in order to make them fit in the new constellation of literary worlds brought about by the complex flow of literary information across twentieth century Eurasia
