Craig Froman, 2017-03-01 Based on the amazing Answers Book for Kids series with answers to over 100 of their most difficult questions. This course features a four day schedule Monday through Thursday but is easily adaptable to most any educational calendar. This apologetics study for upper elementary children delves into issues regarding the Bible, God, sin, dinosaurs, the Flood, Noah, salvation, astronomy and more and is all based on actual questions asked by kids. The course highlights the unique collection of question answer books from Ken Ham and the creative team at Answers in Genesis to meet this need and helps kids focus on Scripture memorization and faith building truth. The Bible verses quoted in the Answers Book for Kids series are from the New King James Version though kids are encouraged to write out their daily verses in the version they use each day.
