Monogamy Lynne E Sheridan, 2020-02-09 Do you want a marriage or partnership that sizzles and inspires others Do you want to dive into an entirely new level of intimacy Are you ready to do the work Like for real The The Birds and Bees of Joyful Monogamy has arrived in your lap at the perfect time Sometimes Couples authors get dedicated to one point of view or perspective and you end up needing to read five to ten books to gather the best material research and work that exists Look no further this book provides a wealth of the predominant research on happy marriages and couples and then puts muscle behind that information with risky sexy and in depth exercises designed to transform your relationship If you think your partner may not join you on the adventure of this hands on book no worries You will create value by doing the work yourself And if you have the delight of diving in with a partner who is ready for date nights that deepen your connection and set you up for a lifetime of a passionately alive partnership then ENJOY Lynne Sheridan has a unique perspective in that she has been an international transformational trainer for 27 years working with tens of thousands of people in creating what matters wealth success and yes happy relationships At the same time she is a licensed Marriage and Family Therapist working with clients who really want to do the work to have their partnership thrive And after conducting Couples Retreats for nearly fifteen years she has ample material and evidence to back her practices In the Prologue Lynne makes it clear that this isn't a self help book where the author peddles philosophy from a pedestal she's been in the muck with all of us In fact my third year of marriage was hell I imagined from the author of a book on relationship bliss but it's the truth And the truth sometimes is painful to acknowledge and even harder to admit But I have also learned that once you acknowledge a painful truth you can create something else That year of hell became the compost for the development of incredible growth over a decade of successful Couples Retreats and scores of couples knowing what's possible in their relationships It makes sense put any seed in total shit and something amazing will blossom out of the dung It isn't a pretty process but the yield is amazing There is no doubt about it that year of hell was the beginning of the turning point for my marriage and our relationship I didn't know it then but it would have made it easier to get through if I would have known that somehow gems would be mined from the minefield that became a lot of our conversations Dream University founder and best selling author Marcia Weider says Lynne has a way of making complicated material accessible and usable She also has the unique ability to take what appears to be conflicting or differing perspectives and weave them together showing patterns and similarities that allow for a deeper understanding of ourselves and significant others What that means is that not only will you glean fresh insights but also a real understanding of the inner workings of your relationships And through the powerful exercises in each chapter you will be able to immediately put in to use what you are learning With Lynne's guidance you will have more than a conceptual

awareness of the material but also simple practices to live and embody this wisdom Best selling author Raymond Aaron says Sometimes when it comes to relationship advice authors have a way of getting caught in one perspective Lynne has found a way to weave together cutting edge research on relationships and bring it to life with experiential processes for you to follow At the same time Lynne gives very real examples from others as well as from her own life with humbling vulnerability You can count on Lynne being candid clear and saying it like it is and giving you permission and ways to practice doing the same

Kozarian, Mark James, 2011-06-08 *Much of Married to the Enemy* is about the authors individual and couple journey. By sharing their personal enlightenment on how our culture and family impacts our attitude with the opposite sex we learn how to go from devaluing each other to a more respectful and honoring relationship. Throughout the book the authors ask questions for you to reflect on to see how you may have developed a gender filter that keeps you from creating the intimacy that you would like to have with your partner. Good relationships are reciprocal so the authors also provide an inventory that looks at how healthy the reciprocity is in your relationship. Ultimately by accepting yourself and your partner as you really are not as the gender culture says you should be you are guided towards loving authentically. In loving genuinely you can now experience the rewards of a love based relationship not a power based one. Meeting someone is a start continuing a relationship with that person is progress working together to create a positive and loving atmosphere is success. We come into this world with as much as half of our personality and inclinations present at birth. When we grow up with strong and excessive gender lines these natural inclinations and personality tendencies tend to get blurred with what our interests should be and the type of personality we should have whether it is true to our nature or not. For example I'm tough and can handle anything image for a boy and I'm sexy sweet and submissive image for a girl. These gender lines often leave us feeling like we are married to an opponent instead of a friend. Many couples may inadvertently begin playing a game of chess looking to get the upper hand over the other. Imagine loving authentically positively and with acceptance. Imagine seeing the individual in front of you without the limitation of contrived gender expectations. How might you connect? What might you discover about your human commonality?

[Magnetic Partners](#) Stephen Betchen, 2010-05-18 Do you and your partner argue about the same things over and over again Are you often confused about why your partner is so angry with you Are things getting worse and worse even though you've tried everything you can think of to make them better In this breakthrough guide to repairing romantic relationships therapist and marriage researcher Dr Stephen Betchen presents a powerful new explanation of what leads to this kind of escalating conflict in couples and how you can repair your relationship and find a whole new level of happiness Based on his extensive experience as a couples therapist Dr Betchen has discovered that the prevailing idea that opposites attract is wrong Instead one of the strongest forces that attracts people to one another is that they share a hidden inner conflict in their lives an unconscious struggle within themselves that each of them developed growing up which he calls a master conflict The fact that a couple shares a master conflict acts as an almost magnetic force of attraction but over time master conflicts often begin to push a pair apart many of the very things you most appreciated about each other start to grate on you producing increasing hostility The good news is that by identifying the master conflict that you share you and your partner can take the steps to break the cycle of fighting and come to a new place of understanding and happiness in your relationship Often just the realization that you have this hidden conflict acts as a powerful cure allowing you to appreciate each other once again and to be empathetic about the things that have been irritating you both From his years of work with couples Betchen has identified the nineteen most common master conflicts such as getting your needs met vs caretaking giving vs withholding commitment vs freedom power vs passivity and for each he provides vivid stories of couples who have struggled with them as well as simple tests that help you to Identify the core master conflict that is causing your relationship problems Understand the origins of your conflict and how it drew you to your partner Diagnose how the conflict is now pushing you apart Come to new terms with the conflict to save your relationship As Dr Betchen writes knowledge of a master conflict is power and *Magnetic Partners* is an empowering guide that will help you not only to identify and control your master conflict but also to bring your relationship to a new level based on deeper understanding ultimately leading to greater fulfillment and long term resilience Partners
