Stairway Vol. 1 Matt Hawkins, 2018-08-22 When a postgraduate student discovers a way to unlock information hidden deep in our junk DNA parts of bio schematics and other pieces of baffling data are found This discovery triggers the largest scientific initiative since the Manhattan Projects with teams of scientists working to collect and collate this information But will they find a stairway to heaven or will they unleash something that will kill us all COMPARISON TITLES If you like THINK TANK and TRANSHUMAN you ll love STAIRWAY *ENOUGH! Islamophobia* , **Truths Stolen by Satan Revealed** M. D. Connell-McDowell, 2013-03-19 This course is to prevent that happening to you Plus you re going to have a wonderful life on earth and gain your full reward rather than some of your reward in this life and far more importantly your full reward in eternity Many Christians don t have the Apocrypha Deuterocanonical books in their Bibles and so lack expertise to win in spiritual warfare You are going to learn these secrets Firstly by convincing you that the Apocrypha Deuterocanonical books are inspired by The Holy Spirit Secondly the art of Heeding mild rebukes On top of all this you re going to increase greatly in knowledge for example 1 You will learn what happens to you for seven days when you leave your mortal body you will be going on a wonderful journey with Christ 2 You re going to find out who the mysterious Melchizedec was mentioned in Hebrews whom many have said was Christ not so 3 You will learn that the earth was originally created upright on its axis and why and when it was tilted by the way scientists concur that it was upright but it did not happen tens of thousands of years ago as they suggest 4 Scientists tell us originally the dry land on earth was gathered together in one huge continent they have named Gondwanaland they are correct the scriptures not only tell us this but when it was changed to the map that we have today by the almighty power of God It didn t happen when the scientist say 5 Did you know Job was advisor to Pharaoh and that he was complicit in the murder of the Hebrew male babies 6 Between the killing of the Egyptian and seeing the burning bush Moses led a fascinating life what was he doing He wasn t herding his father in laws sheep the whole time as some say I could go on and on there is so much more awaiting you come with me on this fascinating adventure God bless you I ll see you on the inside **Textual Evolution and Growth of the Enochic Theophany in the Book of the Watchers 1:1-9** Alexander McCarron, 2024-12-30 The Enochic Theophany in the Book of the Watchers 1:1-9 evolved and grew as it was translated into and transmitted in new and changing socio linguistic and socio religious contexts This study explores how the Enochic theophany evolved in its Aramaic Greek Ethiopic and Latin versions and focuses on the hermeneutical and text critical implications of these features of textual evolution and growth These features reveal how the text was read interpreted and re signified as it was translated and transmitted This study proposes a holistic methodology for exploring textual evolution and growth in fragmentary texts and in fragmentary textual traditions and for understanding the Enochic theophany as a participant in an ongoing Theophanic and Enochic Noahic discourse **The Heretic's Guide to Doctrine** Daboniel Hereticus, 2020-03-19 This book is intended to open Christians minds up to other Christians and to help improve

dialog between them It deals with where a lot of them are coming from doctrinally and the problems to be dealt with on both sides There is a core to all true Christians that should bind us but we cannot do that as long as we cannot be open with our differences and open minded enough to understand why some people believe what they do Mature Christians should be able to talk about the elephant in the room I am of the firm belief that if everybody was coming from the Bible with what they believed we would have a lot more agreement And the world would hate us all the more I certainly do not expect every Christian to agree with me on everything It is not for nothing I call myself Hereticus *Purification* David Pedri,2024-04-11

Purification takes the reader through the protagonists heroic trials in the Tribulation of the last times culminating in a divinely sent world wide Warning to prepare souls for the Second Coming of Christ on the clouds of heaven by revealing each person s sins and their particular need for repentance If humanity repents it will be spared the Great Chastisement consisting of nuclear war principally in the Southern hemisphere in which we are told nations will disappear in seconds The earth s collision with a giant heaven sent Comet will affect the northern hemisphere Catholic prophecies say two thirds to three quarters of humanity will perish by these divine chastisements But Heaven will rejoice at the repentance and salvation of even one soul Finally the wicked who refuse to repent will perish and Satan will be cast into hell with them until mankind again opens the door to the bottomless pit After several engagements with the enemy David and his faithful few are ambushed by seven diabolical assassins ogres demons from Hell inhabiting human bodies In these times the spiritual warfare between good and evil takes on a visible dimension Faith in God and in the shield of His Providence are the only safety nets The final atrocity described in Book III is perpetrated by the Evil One it will shock the reader David is shattered by his friend s ritual murder but his Faith sustains him to the bittersweet end An Epilogue ends Book III It touches on the pastoral world of those who survive the Chastisement *The Book of Enoch* Robert Henry Charles,1912 Paul Dr.Al Garza,2018-03-23
