Sandin,Jonathan Josefsson,Karl Hanson,Sarada Balagopalan,2023-03-11 This open access edited volume investigates children and youth's deep entanglement in today's major global national and local transformations and processes wherein they are not mere spectators and objects of transformations but instead actively shape them through various social economic and political representations International contributions illuminate the problems that arise when children's rights and participation

become a site of contestation and power over who represents whom what when and where The authors do not provide simple solutions instead offering an understanding of the fundamental nature of these problems as founded in the application of rights and the nature of representation in modern society Together the authors emphasize that child representation must take into account the local and spatial context of how representations of children are discussed as well as possible

discrepancies between local regional national and global processes
