Are You Living Your Life, or Surviving Your Past? Karen Cesario Rizzo, 2014-11-05 Are you Living Your Life or Surviving Your Past How a message from the other side taught me to live my life instead of just surviving it Having experienced tragedy and pain as a young child I knew I felt different But I always knew I was being protected by angels I could hear them feel them speak to them and see them at an early age As I reached my late teens the betrayal of trust deepened I shut out my angels their love my inner voices and guidance system and made decisions based solely on pain and fear My angels never left me and they continued to send me love and guidance I chose not to listen hear or see what they wanted me to know After many years I made the decision to lift the veil of pain and fear It was a painful process I had to endure As a result I began experiencing increased psychic awareness beyond what I could comprehend The journey has been amazing Today I am clairvoyant clairaudient claircognizant and clairsentient I am a medium and a Reiki practitioner I believe these gifts of intuition are accessible to everyone Through love and healing you can be assured a life of joy and complete happiness It s time to be the person you were meant to be the person you know you can be It s time to start making your dreams come true and living those dreams It s time to stop surviving your past and start living your life **God, Religion, and Family Life**
