Asian Medicine and Globalization Joseph S. Alter,2005-05-27 This volume is concerned with questions and problems created by the friction between nationalism and transnationalism at a time when globalization has greatly complicated the notion of cultural political and economic boundedness     *Food Safety and Technology Governance* Kuei-Jung Ni,Ching-Fu Lin,2022-08-31 Recent advances in agri food technology have brought increasing complexity and emerging challenges to food safety regulation and governance with many countries greatly divided in their regulatory approaches As more advanced CRISPR based gene editing technologies and novel foods such as cloned animal products non traditional plants nanofood and plant based meat are rapidly being developed debates arise as to whether the existing models of governance require revision to ensure consumer safety Of equal importance is the extensive use of pesticides additives and animal drugs which raise concerns over the methods and approaches of government approval and phasing out of potentially risk causing chemicals Heightened public criticism of food safety and technology poses a significant challenge to governments around the world which struggle to strike a proper balance between technocracy and democracy oriented risk governance models Drawing on expertise from the United States European Union Japan China Korea Association of South East Asian Nations Malaysia and Taiwan this book explores existing and emerging issues of food law and policy in the context of technology governance to offer an overarching framework for the interaction between food regulation and technology It will be essential reading for academics students and practitioners with an interest in food law and policy agricultural law and policy and food safety and nutrition studies     Vital Healing Marc S. Micozzi,Donald McCown,Mones Abu-Asab,2013-02-15 Dr Marc S Micozzi unfolds the compelling idea that vital energy prana in the Indian practice of Ayurveda is the unifying concept that underpins all of the traditional medicines of Middle Asia He also draws parallels to mainstream Western medicine and demonstrates how these therapies fit within the context of their own cultures and ours

**The Politics of Sport in South Asia** Subhas Ranjan Chakraborty,Shantanu Chakrabarti,Kingshuk Chatterjee,2013-09-13 Behind the spectacle of entertainment sport is a subject with political issues at every level These issues range from the social with divisions created along gender and class lines to the use of sport to pursue diplomatic and statecraft goals In addition some sports are positioned and promoted as national events both in public opinion and in the media This book seeks to explore some aspects of the notion of power in sport in south Asia and among south Asians abroad The first two chapters deal with the internal societal dimensions of the politics of sport the next three relate to the politics inside the sporting world in the subcontinent and its bridge with the broader arena of the society through the media while the last five relate to the use of sports in statecraft consensus building and international politics This book was based on two special issues of the International Journal of the History of Sport

**Disease, Religion and Healing in Asia** Ivette Vargas-O'Bryan,Zhou Xun,2014-11-20 Recent academic and medical initiatives have highlighted the benefits of studying culturally embedded healing traditions that incorporate religious and

philosophical viewpoints to better understand local and global healing phenomena Capitalising on this trend the present volume looks at the diverse models of healing that interplay with culture and religion in Asia Cutting across several Asian regions from Hong Kong to mainland China Tibet India and Japan the book addresses healing from a broader perspective and reflects a fresh new outlook on the complexities of Asian societies and their approaches to health In exploring the convergences and collisions a society must negotiate it shows the emerging urgency in promoting multidisciplinary and interdisciplinary research on disease religion and healing in Asia Drawing on original fieldwork contributors present their latest research on diverse local models of healing that occur when disease and religion meet in South and East Asian cultures Revealing the symbiotic relationship of disease religion and healing and their colliding values in Asia often undetected in healthcare research the book draws attention to religious political and social dynamics issues of identity and ethics practical and epistemological transformations and analogous cultural patterns It challenges the reader to rethink predominantly long held Western interpretations of disease management and religion Making a significant contribution to the field of transcultural medicine religious studies in Asia as well as to a better understanding of public health in Asia as a whole it will be of interest to students and scholars of Health Studies Asian Religions and Philosophy

### **Asian Medical Industries**

Stephan Kloos,Calum Blaikie,2022-02-28 This book develops the concept of Asian Medical Industries as a novel perspective on traditional Asian medicines Complementing and updating existing work in this field the book provides a critical and comparative analytic framework for understanding Chinese Medicine Ayurveda Sowa Rigpa and Japanese Kampo in the 21st century No longer subaltern health resources or conservative systems of traditional knowledge these medicines have become an integral part of modern Asia as innovative lucrative industries Ten original case studies employ insights from anthropology history geography pharmaceutical sciences botany and economics to trace the transformation of Asian medical traditions into rapidly growing and dynamic pharmaceutical industries Collectively these contributions identify this as a major phenomenon impacting Asian and global healthcare economics cultural politics and environments The book suggests that we can learn more about Asian medicines today by approaching them as industries rather than as cultural or epistemic systems Asian Medical Industries is a highly original resource for students and scholars across a range of academic fields such as anthropology history and Asian studies as well as medical practitioners health sector actors and policymakers
