**Blood Money** Tamilynn Voelzke, 2021-07-20 We are currently in a period of recuperation from sexual abuse scandals throughout the country Although the media tends to focus on the Catholic Church's role in these situations it is actually a worldwide issue involving protagonists from many different organizations it's just that Catholicism is much larger than any other organization so the offenses seem more prolific than in other agencies The Catholic Church is attempting to create procedures so that these situations never happen again and to provide financial recompense to victims Abusers misused their religious authority to perform these vile deeds however it now has become a fad to falsely accuse priests of sexual molestation in an attempt to get money by playing on the sympathies of diocese authorities Even after statute of limitations is passed diocese protocol allows for such payments Falsely accused priests are the new victims in this crisis Abuse by high level clergy in Catholicism has really brought disaster on the Church Jesus told his future disciples I will make you fishers of men The current false allegations in search of blood money are starting to smell more like rotten fish and I don't think that was what Jesus wanted for the end result of his priests efforts *Blood Money* parallels the story of the Passion of Jesus with the current betrayals faced by ordained Catholic priests as well as similar situations faced by other people in secular circumstances
