

International Business Ethics Codes

It is always important to be cognizant of the legalities of doing business. Each country has its own unique set of laws and regulations.

Business regulations are guidelines that help to maintain order and prevent the abuse of power. These regulations are designed to protect the public and to ensure that business practices are ethical and fair.

Business Practices

<p>1. Business practices following these principles:</p> <ul style="list-style-type: none">a. Respect for the environmentb. Respect for the lawc. Respect for the customerd. Respect for the employeee.
