## **Anne Graham Lotz Just Give Me Jesus:**

**Just Give Me Jesus** Anne Graham Lotz, 2009-04-27 How did the apostle John know that two thousand years after he lived your life would need a fresh touch from God How did John know that at the beginning of a new millennium our lives would be so busy our focus so divided our bodies so tired our minds so bombarded our families so attacked our relationships so strained our churches so programmed that we would be desperate for the simplicity and the purity the freedom and the fulfillment of a life lived in Jesus name John probably didn't know But God did That's why He gives us Jesus And that's why as Anne Graham Lotz reveals John's eyewitness account of Jesus' life is unmistakably relevant to your life today The same Jesus who turned water into wine is the One who provides for your needs at this very moment Enter into His life and find your soul refreshed with Living Water This new edition of Just Give Me Jesus contains an in-depth devotional guide to help you explore the words of John in a personal and practical way either on your own or in a group You'll find inspiration and revelation as you study the Scripture more closely and record your reflections in space provided at the back of the book **Just Give Me**

Continuing in Christ's Teaching Moffat D. Ngalande, 2012-01-31 My increasing desire is to see Christians that have a holistic view of the Christian faith being firmly grounded in the truths of God's Word Continuing in Christ's Teaching takes you on a journey in which the fundamental Christian doctrines are explored so that we may grasp them and not only grasp them but also apply and continue in them in practical day to day living Moffat Ngalande Many of the books and papers in almost all fields of study are normally written by so called giants and heavyweights in their field Yet many times because of this very fact much of what is written tends to be very intellectual It seems to be out of touch with the normal day to day hassles of life that the average human being has to face Many of the other books written by lightweights in the field seem to lack orderliness and the depth of thought that is required Yet in this book Continuing in Christ's teaching Moffat works out a unique combination of the best of both worlds I thus proudly recommend this book to Christians of all denominations Reverend Reynold Mmangisa Church of Central Africa Presbyterian A very good and well researched effort The fact that this is done by a young lay and professional person should be both encouraging and challenging Encouraging because it's a very good sign in the midst of the different extremes in teachings and doctrines Challenging because it shows that there is a quiet which must be recognized and addressed Pastor Jeremiah Chikhwaza Bible Faith Ministries This is an excellent work which elaborates the biblical doctrines herein discussed Many readers both growing and mature Christians would find this book both informative and helpful in attaining a deeper understanding of the fundamentals of the Christian faith Bishop Geoffrey Matoga Faith of God Ministries International
