

Guide to Annulment

Who is this for?

This process invalidates your marriage or civil union for a specific legal reason. And:

- One party must have lived in Colorado for at least **30 days** before you may file.
- If you have children, they must have lived in Colorado for at least **182 days** or since birth if under six months old.
- Please let the court know if you need an interpreter.

When will the Annulment occur?

If the Petition is granted, the annulment will go into effect on the date you entered the marriage or civil union.

Can we get help to solve our disagreements?

The State Office of Dispute Resolution helps spouses to resolve issues between themselves. [www.ColoradoODR.org]

Can I change my mind about the case?

Yes. But if you change your mind and both parties want to stop the annulment, notify the court immediately. If you do not, you could get automatically divorced! To inform us, fill out and file form JDF 1305 - Stipulated Motion to Dismiss.

Do I have to have a lawyer?

You do not have to have a lawyer, but you must follow the same rules and procedures that lawyers follow. You may contact a lawyer at any time.

When can we get an annulment over a divorce?

There are **specific grounds** when an annulment can occur. Those include when one or both of the parties:

- Lacked the ability to consent.
- Were underage.
- Were under duress.
- Entered as a joke or dare.
- Entered when it was prohibited by law, including when:
 - One was already married or in a civil union.
 - They are too closely related to each other.

For a complete list of grounds, see Colorado Revised Statute (C.R.S.) section (§) 14-10-111.

the seminar involved close reading of recent international investment arbitral awards These decisions have emerged as the
most important engines of legal development in this field Interestingly in almost all instances it was felt that the right
decision had been reached But without the building blocks that reasons reflect one could not reconstruct or reverse engineer

adequacy of reasons in some of the most important recent international investment law awards in order to see if there were
significant trends with policy implications The studies in this collection represent the best of the seminar Law Books in
