## **Another Nineteen Investigating Legitimate 9 Or 11 Suspects:**

*Another Nineteen* Kevin Robert Ryan, 2013 Who was responsible for the crimes of 9 11 What should have happened that did not and what did happen that should not have Who benefited This book examines those questions in light of more than a decade of detailed study Readers will discover that certain powerful people were in positions to make 9 11 happen exactly as it did Those people represented private networks and government programs that came together in surprising ways on 9 11  
Page 4 of cover **Hidden Finance, Rogue Networks, and Secret Sorcery** Joseph P. Farrell, 2020-04-19 Pursuing his investigations of high financial fraud international banking hidden systems of finance black budgets and breakaway civilizations author and researcher Joseph P Farrell investigates the theory that there were not two levels to the 9 11 event but three He says that the twin towers were downed by the force of an exotic energy weapon one similar to the Tesla energy weapon suggested by Dr Judy Wood and ties together the tangled web of missing money secret technology and involvement of portions of the Saudi royal family Farrell unravels the many layers behind the 9 11 attack layers that include the Deutschebank the Bush family the German industrialist Carl Duisberg Saudi Arabian princes and the energy weapons developed by Nikola Tesla before WWII It is Farrell at his best uncovering the massive financial fraud special operations and hidden technology of the breakaway civilization The 2001 Anthrax Deception Graeme MacQueen, 2015-09-19 The 2001 anthrax letter attacks in the United States killed five people and wounded dozens They were widely blamed on extremist Muslims and their backers and used to support the invasions of Afghanistan and Iraq They were also used to justify and hasten the passage of the USA PATRIOT Act which was being presented to Congress just as the first anthrax victim grew ill In October 2001 one of the hypotheses that gained ground was that of the Double Perpetrator the claim that al Qaeda was carrying out the attacks with the support of Iraq Much evidence was put forth to support this Double Perpetrator hypothesis but independent scientists soon discovered that the anthrax spores came from a domestic lab in the US serving the military and intelligence communities not from al Qaeda or Iraq The FBI then quickly claimed that an individual was responsible for the attacks and began noisily looking for this lone wolf In 2008 the Bureau named Dr Bruce Ivins of the US Army Medical Institute of Infectious Disease as the anthrax killer Although the FBI remains committed to the Ivins hypothesis the case has been disintegrating for the last three years Currently it is justly held in contempt not merely by scientists who worked with Ivins but by many journalists as well as several US senators But this raises the question if Ivins did not commit this crime who did This book presents evidence to support the following points a The anthrax attacks were carried out by a group of perpetrators not by a lone wolf The attacks were therefore the result of a conspiracy by definition a plan by two or more people made in secret and resulting in an immoral or illegal act b The group that carried out this crime consisted in whole or in part of insiders deep within the US state apparatus c These insiders were the same people who planned the 9 11 attacks d The anthrax attacks were meant to facilitate a seizure of power by the executive branch of government through intimidation

of Congress and US civil society They were also designed to achieve public acquiescence to and support for the redefinition of US foreign policy replacing the Cold War with a new and aggressive global conflict framework the Global War on Terror

**Truthers** Geoffrey Girard,2017-08-01 Katie Wallace has never given much thought to 9 11 She was only a year old when terrorists struck American soil But now her dad has landed in a mental institution after claiming to know what really happened He insists the attacks were part of a government conspiracy And he claims that Katie is living proof the lone survivor of a massive cover up Hoping to free her dad Katie sets out to investigate his bizarre claims Soon she s drawn into the strange and secretive world of 9 11 conspiracy theorists known as the Truthers What is fact and what is fiction Katie no longer knows what to believe

**The American Deep State** Peter Dale Scott,2017-05-02 Now in a new edition updated through the unprecedented 2016 presidential election this provocative book makes a compelling case for a hidden deep state that influences and often opposes official U S policies Prominent political analyst Peter Dale Scott begins by tracing America s increasing militarization restrictions on constitutional rights and income disparity since World War II With the start of the Cold War he argues the U S government changed immensely in both function and scope from protecting and nurturing a relatively isolated country to assuming ever greater responsibility for controlling world politics in the name of freedom and democracy This has resulted in both secretive new institutions and a slow but radical change in the American state itself He argues that central to this historic reversal were seismic national events ranging from the assassination of President Kennedy to 9 11 Scott marshals compelling evidence that the deep state is now partly institutionalized in non accountable intelligence agencies like the CIA and NSA but it also extends its reach to private corporations like Booz Allen Hamilton and SAIC to which 70 percent of intelligence budgets are outsourced Behind these public and private institutions is the influence of Wall Street bankers and lawyers allied with international oil companies beyond the reach of domestic law Undoubtedly the political consensus about America s global role has evolved but if we want to restore the country s traditional constitutional framework it is important to see the role of particular cabals such as the Project for the New American Century and how they have repeatedly used the secret powers and network of Continuity of Government COG planning to implement change Yet the author sees the deep state polarized between an establishment and a counter establishment in a chaotic situation that may actually prove more hopeful for U S democracy
