*Are You Preaching Another Gospel? Are You Listening to Recycled Gospel?* Gloria J. Winston,2016-03-15 And if it s not the Gospel of Jesus Christ then it s called another gospel Paul says I am shocked that you are turning away so soon from God who called you to himself through the loving mercy of Christ You are following a different way that pretends to be the Good News but is not the Good News at all You are being fooled by those who deliberately twist the truth concerning Christ Galatians 6 7 NLT Any news message or preaching that does not put joy peace or hope in your heart is not the Gospel Then the angel said to them Do not be afraid for behold I bring you good tidings of great joy which will be to all people Luke 2 10 NKJV

**Recovering an Undomesticated Apostle** Christopher B. Zeichmann,John A. Egger,2023-04-01 Paul the apostle is usually imagined as a man of prestige and power comfortably conversing with philosophers seeking an audience with the emperor and composing compelling letters for Christians throughout the Mediterranean Yet this portrait of a safe and conventional figure at the origins of Christianity airbrushes out many strange things about him This volume repositions Paul as a man at the periphery of power Recovering an Undomesticated Apostle explores the ways that Paul has been domesticated in both popular and scholarly imagination By isolating selected crises of the apostle s life and legacy and examining the social and material dimensions of his world these essays collectively chip away at the received image of his strength and status The result is a series of glimpses of Paul that frame the apostle as surprisingly marginal and weak within Roman society Published in honour of New Testament scholar Leif E Vaage Recovering an Undomesticated Apostle presents Paul as a man operating from a position of desperation making virtue out of necessity as he attempted to claw his way up in the dog eat dog world of the ancient Mediterranean

**Vital Truth and Precepts** Felix Amiri,2008-12 Synopsis Free Study Guide Additional Retailers Dare to think beyond the ordinary and live above mere existence An old hymn by William P Merrill calls us to rise up and have done with lesser things emphasis added We must awaken to what is happening in our world and flee from folly Escaping the seductive embrace of worldliness requires us to be vigilant We must shun all distractions deception and alluring digressions Like repentant prodigals we need to persistently run to our Father s protective and loving embrace Even our temporal survival depends on this It is a sad reality today that while many disregard

God others are misinformed about him There is widespread digression from the truth Each of these abnormalities leads to serious consequences Hence we must flee to God This book discusses God s supremacy sovereignty and absolute attributes God s purpose for his creation mankind s fall individual culpability God s grace and salvation through Jesus Christ are examined Among the key convictions conveyed is the fact that true liberation comes only from an obedient response to the transcendent supremacy and will of God One cannot properly glorify God without a correct understanding and application of the truth Therefore seeking the truth is the most prudent engagement for mankind All are called upon to appropriately respond to God For some this book may be the beginning of a long term exploration For others it may serve as the encouragement to continue in their commitment to the truth Vital Truth and Precepts could serve as a resource for personal or group study It provides useful teaching or study content for Sunday school teachers as well as for professors and students in bible colleges and seminaries New Christians and even people who are not followers of Christ might find it helpful in understanding the Christian faith If you would like to read a synopsis of each chapter go to Synopsis If you have purchased this book and would like a free electronic copy of the study guide go to Free Study Guide Compare prices at Retailers
