**These Boys and Their Fathers** Don Waters, 2019-10-01 In 2010 Don Waters set out to write a magazine story about a surfing icon who had known his absentee father. It was an attempt to find a way of connecting to a man he never knew. He didn't imagine that the story would become a years long quest to understand a man who left behind almost nothing except for a self absorbed autobiography for his abandoned son. *These Boys and Their Fathers* touches on Waters's early life with his single mother and her string of dysfunctional men and his later search for and encounters with his father but it quickly expands into a gripping account of the life of a 1930s pulp writer also named Don Waters with whom

Waters becomes obsessed This wildly original book blends memoir investigative reporting and fiction to sort out difficult aspects of family masculinity and what it means to be a father Harper's ,2010 Isn't it Romantic Brett Fletcher Lauer,Aimee Kelley,2004 100 love poems written by younger american poets Stay Nick Flynn,2020-03-17 Stay brings together nearly thirty years of work poetry memoir essays interviews plays film in a mixed media retrospective that shows nothing is created in isolation Threads in the artist s life are presented alongside many of the artistic collaborations that have led to or come out of his own work including a selection of images from an ongoing daily collage practice which Flynn considers a type of meditation Like Flynn s life Stay is populated by examples of his collaborations with artists he has worked with since the 1980s Amy Arbus John Baldessari Guy Barash William Blake Robert De Niro performance Marilyn Minter photograph Josh Neufeld comic art Catherine Opie photograph Sarah Sentilles drone alert sutras Bill Shuck installation Paul Weitz film A full color hardcover edition Stay is a wide ranging and personal journey through the public and private spaces of an artist at the peak of his powers Tell It Slant, Third Edition Brenda Miller,Suzanne Paola,2019-08-09 Publisher s Note Products purchased from Third Party sellers are not guaranteed by the publisher for quality authenticity or access to any online entitlements included with the product Two award winning authors reveal everything you need to know to develop your own distinctive voice and craft compelling creative nonfiction Tell all the Truth but tell it Slant Emily Dickinson With these words Dickinson offers sound advice for nonfiction writers Tell the truth but become more than mere transcribers of daily life Since 2003 Tell It Slant has set the standard for creative nonfiction instruction showing writers how to move beyond mere facts and instead make the most of their own slant on the world This revised and updated third edition offers New and expanded chapters on writing about identity maintaining a productive work life balance and navigating the publishing industry An anthology with diverse pieces that range from traditional essay to the graphic memoir Expanded discussion of contemporary and emerging literary forms New Try It writing exercises throughout the book Whether planning a course or learning on your own Tell It Slant provides everything you need to know to develop a distinctive voice and to craft compelling creative nonfiction This book provides the basis for a complete education in nonfiction writing wherever your classroom might be Tell It Slant is a valuable and comprehensive resource for nonfiction writers filled with exhilarating examples powerful exercises and pure inspiration Miller and Paola are gifted teachers and writers with endless wisdom to share and a lovely way of sharing it with struggling writers at every level Dinty W Moore author of The Mindful Writer Noble Truths of the Writing Life **The Publishers Weekly** ,2005 **Book Review Index Cumulation** Dana Ferguson,2005-09 Book Review Index provides quick access to reviews of books periodicals books on tape and electronic media representing a wide range of popular academic and professional interests The up to date coverage wide scope and inclusion of citations for both newly published and older materials make Book Review Index an exceptionally useful reference tool More than 600 publications are indexed including journals and national general interest publications and newspapers Book Review Index is
