Chapters: 3 & 4

Exam 1: 2/28/22 @ 9:00-9:50 (IN PERSON); Respondus Lockdown Browser Required – No Exceptions

**Study Guide Grading:** Must be submitted by the start of the exam and **FULLY COMPLETED** to receive ANY credit; partial completion of any single chapter OR late submission will result in a zero, with no partial credit available. Must be submitted as a **WORD or PDF document**. Pictures (jpeg) or .pages will also result in a zero.

**Please note:** The Academic Integrity Policy **ALWAYS** exists when you submit documents online, whether that is for individual or group work. When you submit this study guide, you are attesting to the fact that what is written is in your own words, from your own brain, and you did not copy some or all of anyone else's work. If extensive overlap is shown between your work and another, both will receive zeros and be subject to penalization at high levels in the University, which may ultimately result in a failure of the entire course.
