Sovereignty Education and Defense Ministry (SEDM), 2020-02-06 Good citizenship from a Christian Perspective For reasons why NONE of our materials may legally be censored and violate NO Google policies see <https://sedm.org> why our materials cannot legally be censored      *The Drama of Discipleship* Gregory R. Perry, 2022-04-21 How do Christ's followers reach across the dividing lines of our culture to offer hospitality and hope How do local congregations worship God faithfully on Sunday and bear witness to their neighbors with fitting words and deeds during the week Christ has called his people to follow the ways of his kingdom in their homes workplaces schools churches and neighborhoods The Drama of Discipleship is a resource for being and making disciples of Jesus in the everyday tasks of being human Each episode offers at least one group activity that is designed to catalyze group action on your local stage and build your congregation's practice of taking off the old ways of being human and putting on the true image of God Christ The Drama concludes with additional tools for those who lead small groups in the heartwork of discipleship as well as a neighborhood survey for those who lead congregations in the fieldwork of discipling the nations      *Born to Be Brave* Kirk Cameron, 2024-10-08 What if the present cultural setback is really a divine setup for a spiritual comeback Ungodly forces have devastated American culture The family of faith is feeling intimidated and fearful Worse many of us think that nothing can be done about it that society will inevitably get worse Actor producer and conservative activist Kirk Cameron says this hopelessness is completely misplaced God has given His faithful followers a birthright of courage If we choose to live in this bravery we will realign the nation with Christian values With biblical insights and true stories of individuals who acted bravely out of love for God and others Born to Be Brave equips us to stop thinking our opponents are too big for us to overcome and start seeing our culture as something we are called to mold recognize the Christian backstory of America and see how this gives us direction for the future understand that politics needs the gospel because real change requires heart transformation hold on to our God given compassion for others even when we face backlash and opposition boldly engage friends family and the community with gospel truths that affect all of society If we're going to change the nation and the world we need to move beyond paralyzed outrage and start acting with courage and confidence God is already on the move and we can be a part of the big things He is doing Because we were born to be brave      Daughters of Dignity LaVerne McCain Gill, 2000 African American women today have been left at the mercy of media portrayals that often depict them as pregnant and promiscuous or as prostitutes and welfare cases To erase these hurtful and inaccurate stereotypes and to reclaim a connection with their deep ethical roots and moral heritage these women must learn the stories of strength courage and faith that propelled generations of their foremothers into the world supported by justice love faith wisdom and perseverance virtues that would empower them to raise strong families and have productive careers Daughters Of Dignity seeks to identify these virtues and trace their roots

Presenting biblical and theological foundations to validate the experiences of the African American woman LaVerne McCain Gill also offers historical and contemporary role models including Sojourner Truth and Rosa Parks who embodied these virtues Finally she gives suggestions for self evaluation and narratives on contemporary programs to successfully reestablish an ethic of black womanhood in the community
