Peterson, 1989 *Fighting On Our Knees* Rory Noland, 2024-10-08 As modern society becomes increasingly secular Christians today find themselves living in a world that is not only diametrically opposed to their faith but also downright hostile about it While living in what has been deemed an anti Christian culture characterized by a vehemently negative view of both Christianity and Christians we are locked in a fight to the finish battle with the forces of evil Rory Noland calls and equips twenty first century Christians to engage in spiritual warfare by praying the Psalms the same book of prayers that ministered to the Israelites of old and served as their collective voice in turbulent times He highlights a group of psalms that address three specific areas currently under spiritual attack the family the church and the culture at large Each chapter focuses on a particular psalm presents a verse by verse devotional commentary and concludes with prayer exercises based on that psalm Throughout his presentation Noland encourages Christians to stay vigilant in the all important kingdom work called prayer Fighting on Our Knees calls and equips Christians to engage in spiritual warfare by praying psalms that address three vital areas family church and culture **Preaching God's Transforming Justice** Ronald J. Allen, Dale P.

had when it was first written *Love Letters to God* Devon Spencer, Katherine Willis Pershey, 2025-07-29 *Love Letters to God* is an intensely personal and deeply theological book of epistles between two dear friends. The authors hail from different backgrounds in faith, family, and life circumstances but find common ground in their devotion to Christ, Christianity, and each other. The letters chronicle a year in the life of this friendship, marked by fervent faith and bouts of unbelief, suffering and rejoicing, death, loss, and baptism, and the sanctification of a friendship. The tone is at once literary and personal, peppered as much with theological references as unrefined vulnerability, and speaks to all who cherish their faith and their friends.

Psalms for Preaching and Worship Roger E. Van Harn, Brent A. Strawn, 2009-04-10 *Psalms for Preaching and Worship* is a key addition to the critically acclaimed three-volume Lectionary Commentary. Despite the rich resources available for studying the Psalms, few are as focused on their place in worship and preaching as this volume. The responsorial Psalms of the Revised Common Lectionary are here taken up in careful and often illuminating interpretation, with attention also to their interaction with other lectionary texts. The many ways that psalms can function meaningfully in the liturgical life of congregations are explored, especially in John Witvliet's concluding section. I know of no work that combines practice and substance better than this lectionary commentary. Patrick D. Miller, Princeton Theological Seminary. A fascinating book, well organized, well written, and edited, thorough and informative. An excellent resource not only for preachers using the Revised Common Lectionary but also for those wishing to preach a series of sermons on the Psalms. In addition, worship leaders and worship committees will appreciate the many excellent ideas for using the Psalms in worship. Highly recommended. Sidney Greidanus, author of *Preaching Christ from the Old Testament* and *Preaching Christ from Genesis*. Here is something even better than a simple completion of *The Lectionary Commentary*, which would be cause enough for gratitude. Serious attention paid to this one book could go a long way toward remedying the scandalous neglect of the treasure of the Psalms in too much contemporary worship.
