Andean Awakening An Inca Guide To Mystical Peru:

Andean Awakening Jorge Luis Delgado, MaryAnn Male, 2012-03 It is an extraordinary time to be alive as a long foretold alignment of the Earth with the axis of the Milky Way galaxy announces a new dawn In Peru descendants of the Inca call this time the Pachakuti the return of the light after 500 years of darkness Peru is said to be the morning of the new sun the portal through which rays of the new light will begin to awaken humanity to a new consciousness In this illustrated guidebook Peru's premiere spiritual tour guide Jorge Delgado takes the reader on a trip of discovery through the most powerful and mystical places on earth Machu Picchu the Sacred Valley Lake Titicaca and the magical Inca doorway of Aramu Muru Jorge Delgado was born in a small Andean village in Peru In *Andean Awakening* Delgado opens the door to his mystical homeland as he describes his own journey of awakening and packs his personal narrative with fascinating details about Peru its history culture mythos and magic

Andean Awakening Jorge Luis Delgado, Maryann Male, 2012-01-01 **Sojourns of the Soul** Dana Micucci, 2012-12-19 *Sojourns of the Soul* differs from other inspirational travel books by providing a rare mix of in depth wisdom and literary insights from the holistic view of one experienced female traveler Dana Micucci gives a compelling account of her growing spiritual illumination through visits to some of the most sacred places on earth Her lively engaging narrative takes us to seven sites in all the Australian outback Angkor in Cambodia the Valley of the Kings in Egypt Lhasa in Tibet Chichen Itza in the Yucatan the Monastery of Christ in the Desert in New Mexico and Machu Picchu in Peru Micucci links each visit with the awakening of a particular chakra the chakras being the seven energy centers of the body associated in Hinduism with progressive enlightenment In the afterword she reflects on how her experiences continue to shape her life after resuming her career as a journalist in New York City she finds she is more tolerant can engage in daily activities with more heart centered awareness and can sustain states of joy and gratitude for longer periods of time The book will be a page turner for readers who yearn for long delayed adventure with the added benefit that it is not just a journey log but more of a seeker's manual travel is simply the vehicle Readers will find that they don't have to travel to far flung places for the spiritual inspiration available in their everyday lives As Micucci says Each day brings new remembrances of our divinity of the Divine presence in all beings and of our eternal connection to each other I am so grateful to be here NOW with you

Spiritual Health and Healing Vedantin Ping Luo and Dennis Hill, 2010-10-30 *Spiritual Health and Healing* means using spiritual concepts of different traditions to reveal the true purpose of life As human beings we live in the world with a sense of duty and responsibility to society and at the same time we experience the ultimate spiritual beings within our physical bodies When we are in harmony with the mother earth father sky and the entire cosmos we experience the right relationship with all that exists in the universe and we then reside in peace joy love and compassion There is no more suffering or struggle Even when suffering or struggles do exist they solely serve to remind us that we are human beings with a purpose to live and experience the beauty and love beyond everyday experiences Spiritual healing is nothing magical or superficial It is rooted in

our everyday lives and an everyday living philosophy In life we experience suffering in many different ways Spiritual healing teaches us the ways to connect to the cosmos and divinity through our body and experiences These connecting agents serve the same function and they are neither superior nor inferior to one another The lessons in Spiritual Health and Healing are derived from different traditions and serve to bring us harmony within the human race as well as to bring peace to everyone and to every place
