Angel Within Fallen Angels

Julie Nicholls

Angel Within Fallen Angels :

Angel Within Julie Nicholls, 2015-03-13 Jana a powerful witch and Tigan a deceitful mercenary from Sabe and Kiera's past join forces to summon Samyaza one of the most powerful of all fallen angels. The witch strikes a bargain with the fallen angel to possess Tigan, making him indestructible in battle. In exchange for granting this gift, Samyaza seeks a sacrifice: someone gifted with seraph abilities in order that he can free himself of the bonds that hold him captive in hell. It's a race to save the sacrificial offering and to stop Tigan from becoming possessed. Kai and Sabe join Brightstone and Blackhill's forces to rid the world of the powerful evil witch and Tigan. Once again, the seraphs come to the warriors' aid, yet at what cost? The final battle culminates with the transformation of Eloise from a timid queen to a feared warrior as her husband fights for his life and freedom from bondage once more.

Dictionary of Angels Gustav Davidson, 1994-10 An investigation of the evidence in Talmudic, gnostic, apocalyptic, partristic and legendary texts concerning immortal winged beings. *The Ashgate Encyclopedia of Literary and Cinematic Monsters* Jeffrey Andrew Weinstock, 2016-04-01 From vampires and demons to ghosts and zombies, interest in monsters in literature, film and popular culture has never been stronger. This concise Encyclopedia provides scholars and students with a comprehensive and authoritative A-Z of monsters throughout the ages. It is the first major reference book on monsters for the scholarly market. Over 200 entries written by experts in the field are accompanied by an overview introduction by the editor. Generic entries such as ghost and vampire are cross-listed with important specific manifestations of that monster. In addition to monsters appearing in English language literature and film, the Encyclopedia also includes significant monsters in Spanish, French, Italian, German, Russian, Indian, Chinese, Japanese, African and Middle Eastern traditions. Alphabetically organized, the entries each feature suggestions for further reading. The Ashgate Encyclopedia of Literary and Cinematic Monsters is an invaluable resource for all students and scholars and an essential addition to library reference shelves.
