## **Angel Quest The Beginning:**

**Angel Quest, the Beginning** Shane Flynn, Madeline Duffy, 2014-11-17 Unexpected acts of fate throw Lily Carpenter into a search to find angels. What starts out as an ordinary day quickly turns into a supernatural search that will not only enlighten her but expand her life in directions that she's never imagined. Lily's life is about to implode and in the process she will discover hidden secrets in the Bible that she's never noticed before. Her Granny Rose's heartfelt experience will instruct her granddaughter on the mysteries she herself has discovered. Lily has always thought of herself as a Christian but it's taken a backseat in her life of family and kids not anymore. Everything will change as Lily discovers a new life in the supernatural world of God and His angels. Lily has been drifting through life without much purpose or depth. She will discover that we all have a purpose on this planet that we inhabit many purposes in fact. A supernatural world has been surrounding her the whole time but has gone unnoticed as the reality of this world distracts her from the reality of the supernatural world. Two worlds intersect at some axis journey with Lily and Granny Rose to find that axis and see the supernatural. The first in a series of realistic contemporary fiction books Madeline Duffy and Shane Flynn explode into the world of writing achieving 5 star reviews right from the start. The second book in the series Angel Quest Take Flight has now been published and is available at most major book retailers. Don't miss the first book that prepares for the second book which takes Lily Carpenter even further into the supernatural world. This supernatural world is available to all and just waiting to be discovered.

**Jesus Is** Holly Winegardner, 2006-02 A new book with a New Theory never before examined. This book explores theoretics with facts to back each mentioned. It answers all those questions that man has explored since the beginning of our existence. It is written for everyone and anyone wanting to know Why. Why are we here, why were we created and why is Jesus the only way to the kingdom of God.    **13 Fiendish Fables** Stephen Schmoyer, 2021-02-28 If a man bargained his soul to the Devil in order to become a successful author what kind of stories would the man write? If a woman risked everything to read the man's book what would she find out? If a third man knew the answers to the previous two questions what would be revealed.    *Hell's Angels* Yves Lavigne, 1993 Not since Hunter Thompson's seminal *Hells Angels A Strange Terrible Saga* of the Outlaw Motorcycle Gangs in 1967 has there been such a thorough account of the Angels. This book documents the gang's bumpy ride from its origins as a Stateside club for WWII fighter pilots to its freewheeling terror tactics of the early sixties to its absurd flirtation with the hippie scene to its current status as one of the most powerful underground organisations in North America rivalling even the Mafia.
