Marketing Heritage Yorke M. Rowan,Uzi Baram,2004 Increasingly archaeological sites worldwide are being commodified for a growing tourism trade At best expansion of programs can aid in the protection and historic preservation of sites and strengthen community identities However unchecked commercial development may undermine the economic and cultural integrity of these same sites replacing local interests with corporate ones In this volume original case studies from well known sites in Cambodia Israel England Mexico and the United States addresses the complex interaction between archaeology and nationalistic political and commercial policies **Catalogue** New York University,1915 **Neuronal Networks in Brain Function, CNS Disorders, and Therapeutics** Carl Faingold, Hal Blumenfeld,2013-12-26 Neuronal Networks in Brain Function CNS Disorders and Therapeutics edited by two leaders in the field offers a current and complete review of what we know about neural networks How the brain accomplishes many of its more complex tasks can only be understood via study of neuronal network control and network interactions Large networks can undergo major functional changes resulting in substantially different brain function and affecting everything from learning to the potential for epilepsy With chapters authored by experts in each topic this book advances the understanding of How the brain carries out important tasks via networks How these networks interact in normal brain function Major mechanisms that control network function The interaction of the normal networks to produce more complex behaviors How brain disorders can result from abnormal interactions How therapy of disorders can be advanced through this network approach This book will benefit neuroscience researchers and graduate students with an interest in networks as well as clinicians in neuroscience pharmacology and psychiatry dealing with neurobiological disorders Utilizes perspectives and tools from various neuroscience subdisciplines cellular systems physiologic making the volume broadly relevant Chapters explore normal network function and control mechanisms with an eye to improving therapies for brain disorders Reflects predominant disciplinary shift from an anatomical to a functional perspective of the brain Edited work with chapters authored by leaders in the field around the globe the broadest most expert coverage available **New York University Catalogue** New York University,University of the City of New York,1915 **Liar in a Crowded Theater** Jeff Kosseff,2023-10-24 The author addresses one of the most pressing issues in modern American life the pervasiveness of lies the constitutional protection they enjoy the harm that they cause and how to combat them The two most recent presidential elections the battle against the coronavirus and the January 6 2021 attack on the Capitol demonstrate the power of lies their pervasiveness online and the damage that they can inflict *The Magical Diaries of Leah Hirsig, 1923-1925* Associate Professor of History of Religions Manon Hedenborg White,Manon Hedenborg White, Henrik Bogdan,Professor of Religious Studies Henrik Bogdan,2025-06-24 *The Magical Diaries of Leah Hirsig 1923 1925* presents a complete annotated collection of the magical diaries of the prominent Swiss American occultist The book includes a selection of unpublished letters and poems by Hirsig and Aleister

Crowley shedding unique light on their relationship as well as women's roles in twentieth century occultism *Joan of Arc* Deborah McGrady, 2025-05-20 Traces contemporary and later reception of Joan of Arc examining how cultural beliefs and conventions have shaped her story Joan of Arc stands out as one of the most recognized historical figures of medieval Europe Learned writings as well as popular imagination from the Middle Ages to today have celebrated her as an exceptional character and hailed her legacy And yet there is scant recognition of her enduring status as an icon What is one to make of a young female medieval peasant turned warrior turned heretic turned martyr who has repeatedly been drawn back from oblivion revived and made relevant time and again Unravelling the mystery of this question requires revisiting contemporary and historical accounts listening anew to Joan's voice as seen in her letters and trial documents and inquiring into the lively debate her afterlife has generated in the arts from paintings and sculptures to romance theatre and cinema To unearth this new story of Joan of Arc this study focuses on her French legacy where her continued cultural and aesthetic importance are most vibrant and it brings this phenomenon into dialogue with modern discussions about gender and class anachronism and memory and metafiction creative time and the gaze Tactical Performance Larry Bogad, 2016-02-26 Tactical Performance tells fun mischievous stories of underdogs speaking mirth to power through creative targeted activist performance in the streets of cities around the world This compelling inspiring book also provides the first ever full length practical and theoretical guide to this work L M Bogad one of the most prolific practitioners and scholars of this genre shares the most effective non violent tactics and theatrics employed by groups which have captured the public imagination in recent years Tactical Performance explores carnivalesque protest in unique depth looking at the possibilities for direct action and sometimes shocking confrontation with some of the most powerful institutions in the world It is essential reading for anyone interested in creative pranksterism and the global justice movement It Feeds Itself Eric White, 2003 Eric White's hyper intensive distortedly lucid paintings explore the shifting boundaries between beauty and horror Developing out of the artist's fascination with the illusory properties and constructions of film the paintings examine the varying layers of human perception by manipulating planes of focus and the reliability of form and colour With work from four different galleries this is a comprehensive collection of Eric White's career as a painter *Writers' Handbook 2022* J. Paul Dyson, 2021-11-17 The 2022 edition of firstwriter.com's bestselling directory for writers is the perfect book for anyone searching for literary agents book publishers or magazines It contains over 2 500 listings including revised and updated listings from the 2021 edition and over 400 brand new entries Finding the information you need is now quicker and easier than ever before with multiple tables and a detailed index and unique paragraph numbers to help you get to the listings you're looking for The variety of tables helps you navigate the listings in different ways and includes a Table of Authors which lists over 3 000 authors and tells you who represents them or who publishes them or both The number of genres in the index has expanded to over 600 So for example while there was only one option for Romance in the previous edition you can now narrow this down to Historical

Romance Fantasy Romance Supernatural Paranormal Romance Contemporary Romance Diverse Romance Erotic Romance Feminist Romance Christian Romance or even Amish Romance International markets become more accessible than ever with listings that cover both the main publishing centres of New York and London as well as markets in other English speaking countries With more and more agents publishers and magazines accepting submissions online this international outlook is now more important than ever There are no adverts no advertorials and no obscure listings padding out hundreds of pages By including only what s important to writers contact details for literary agents publishers and magazines this directory is able to provide more listings than its competitors at a substantially lower price The book also allows you to create a subscription to the firstwriter com website for free until 2023 This means you can get free access to the firstwriter com website where you can find even more listings and also benefit from other features such as advanced searches daily email updates feedback from users about the markets featured saved searches competitions listings searchable personal notes and more I know firsthand how lonely and dispiriting trying to find an agent and publisher can be So it s great to find a resource like firstwriter com that provides contacts advice and encouragement to aspiring writers I ve been recommending it for years now Robin Wade literary agent at the Wade Doherty Literary Agency Ltd and long term firstwriter com subscriber
