**The Awakening** Brenda D. Henson, 2020-07-19. These poems were floating around in my head and I started to write them down and wanted to share them with people to determine if they felt they were as good as I feel they are. They are divided into four sections. They range from sad to thought provoking prose. I think that you can read some of these and find a kindship with some of them at different times of your life. **Angels Watching Over Me** Instant Publisher, 2006-03. [The Bleeding Heart](#) Shellbie Breaux, 2021-06-10. **The Bleeding Heart** The Eternal Love Novels By Shellbie Breaux. What would you do in a world that was not what it seemed. In a world that our deepest darkest fears and the boogie monsters that we swore were under our beds at night were real. Join me in a story about a girl that should have never existed and a guy that was disowned by his pack and left to fight for himself. What will happen and is love to overcome all boundaries and taboos of their world. My feet pounding against the ground. My heart racing to keep up. I ran. I ran as hard I could. I can't fail. I thought. I can't fail her. She must live for Abigail. She must live for all who suffered at the hands of those monsters. His speed slowed at the memory of his beautiful wife that died only a couple hours ago giving birth to his one and only baby girl, FLEE. His Bain screamed at him. They are right behind me. RUN. He could sense his pursuit behind him. He could hear them thrashing through the forest screaming at and cursing as they chased him. He increased his speed. Yes he thought. Chase me because every step you take is a step away from my angel Isabella. You will not have her. Give up. They screamed behind me. There is nowhere to run. You will burn for the crimes you committed against your race. He couldn't help but laugh at that as he ran through the thick brush and undergrowth of the forest in the northern mountains of Montana. He laughed so hard he almost lost his footing gathering his wits again he screamed over his shoulder. If loving another is a crime then I would do it a thousand times more. **The Bleeding Heart** follows a young lady who progresses through life that is constantly challenging her in her mortality, her personality and basically everything about her. It throws obstacles at her that normal people probably wouldn't get over and with her. It makes her personality and her overall character grow into a story line hero even though she doesn't really want to be a hero. **The Bleeding Heart** reminds us that we should never think we don't have a voice and even though this life may make us seem as if we are on a rollercoaster going up and down and we can't seem to stop we can't seem to make anything go right we do have people who surround us who care enough about us to help. [Angels Watching Over Me](#) Wilfred F. Peters, 1971.
