**Kirigami Menagerie** Hiroshi Hayakawa,2009 From very easy to very advanced paper animals to create [The Geologic Model of Religion](#) Andrew Clifford,2012-07-17 Men are haunted by the vastness of eternity The opening line of the film Troy captures the tragic essence of personal mortality ones passing into oblivion and fading from all memory Since the prehistoric dawn of humanity death has shadowed everyone s footsteps Even into the current scientific era religion has long been the only defense The sole comfort against oblivion offering a promise of new life or even immortality The Geologic Model of Religion is a sympathetic study of this defense from its ancient beginnings drawing upon archaeology anthropology and comparative religion to clearly explain one of the most complex subjects known From the study a new model emerges which Decomposes religion into its distinct worldview and afterlife paradigms Categorizes evidence of belief systems held by prehistoric hunter gatherers culminating in the Temples of Rebirth such as Gobekli Tepe Concludes that spirituality began in the Fertile Crescent 11 000 years ago spreading with the Neolithic revolution throughout the world Shows why judgment in afterlife was the keystone in the emerging edifice of civilization and how it enabled hierarchies overcoming Dunbar s number which limited village sizes Overviews the interaction between science and religion and projects the ultimate fate of religion itself There might be 100 000 books written about religion but the Geologic Model of Religion is unlike any other Drawing upon evidence from anthropology archaeology and scripture religion is divided into worldviews and afterlife paradigms This new model evidences several long lost prehistoric religious belief systems and explains the origin of spirituality in settled societies

[Learning Java](#) Patrick Niemeyer,Jonathan Knudsen,2005-05-20 Version 5 0 of the Java 2 Standard Edition SDK is the most important upgrade since Java first appeared a decade ago With Java 5 0 you ll not only find substantial changes in the platform but to the language itself something that developers of Java took five years to complete The main goal of Java 5 0 is to make it easier for you to develop safe powerful code but none of these improvements makes Java any easier to learn even if you ve programmed with Java for years And that means our bestselling hands on tutorial takes on even greater significance Learning Java is the most widely sought introduction to the programming language that s changed the way we think about computing Our updated third edition takes an objective no nonsense approach to the new features in Java 5 0 some of which are drastically different from the way things were done in any previous versions The most essential change is the addition of generics a feature that allows developers to write test and deploy code once and then reuse the code again and again for different data types The beauty of generics is that more problems will be caught during development and Learning Java will show you exactly how it s done Java 5 0 also adds more than 1 000 new classes to the Java library That means 1 000 new things you can do without having to program it in yourself That s a huge change With our book s practical examples you ll come up to speed quickly on this and other new features such as loops and threads The new edition also includes an introduction to Eclipse the open source IDE that is growing in popularity Learning Java 3rd Edition addresses all

of the important uses of Java such as web applications servlets and XML that are increasingly driving enterprise applications
