Android 3 0 Animations Beginner S Guide Shaw Alex:

Android 3.0 Animations Alex Shaw, 2011-10-29 Written in Packt's Beginner's Guide series this book takes a step by step approach with each chapter made up of three to five tutorials that introduce and explain different animation concepts. All concepts are explained with real world examples that are fun to read and work with. If you are familiar with developing Android applications and want to bring your apps to life by adding smashing animations then this book is for you. The book assumes that you are comfortable with Java development and have familiarity with creating Android Views in XML and Java. The tutorials assume that you will want to work with Eclipse but you can work just as well with your preferred development tools.
