**Angels Unveiled** Muhammad Hisham Kabbani,1995      Angels Unveiled Shaykh M. Kabbani,1996-01-01      **In the Company of Angels** Cherie Sutherland,2008-09-26 What are angels Do they exist What do angels really look like What do angels do Throughout history angels have played a major role in literature art theology myth and folklore Portrayed as symbols of the divine in our earthly realm these luminous beings continue to inhabit the conscience of our culture However in today's materialistic world they have become images of fiction and fantasy for many people In a down to earth style Cherie Sutherland draws on research gathered from around the world to answer the most commonly asked questions about angels and gives practical advice on how to call on them to help us through difficult and stressful periods in our lives In the Company of Angels shows us how to open our hearts to the magic of angels and discover the beauty and spirituality they can bring to everyday life      **Angels** David Albert Jones,2010-03-25 What are angels Where were they first encountered Can we distinguish angels from gods fairies ghosts and aliens And why do they remain so popular This Very Short Introduction outlines some of the more prominent stories and speculations about angels in Judaism Islam Christianity and post Christian spiritualities It reflects on the way that angels have been portrayed in art whether as young men in the Hebrew Scriptures androgynous winged creatures of the pre Raphaelites or the masculine statue of the Angel of the North It will also consider angels in films such as Wim Wenders Wings of Desire and Frank Capra's It's a Wonderful Life as well as angels in literature From the idea of the angel as a messenger through to the image of angels sent to protect and help those in need this is an examination of the implications of angels It will ask why people find the idea of angels attractive helpful or consoling and why they remain so powerful in modern culture It advances the view that reflecting on angels can teach us something about human existence and whether or not we believe that they exist in their own right the angels can still illuminate our thoughts
