Listening Up, Writing Down, and Looking Beyond Susan Gingell,Wendy Roy,2012-08-01 Listening Up Writing Down and Looking Beyond is an interdisciplinary collection that gathers the work of scholars and performance practitioners who together explore questions about the oral written and visual The book includes the voices of oral performance practitioners while the scholarship of many of the academic contributors is informed by their participation in oral storytelling whether as poets singers or visual artists Its contributions address the politics and ethics of the utterance and text textualizing orature and orality simulations of the oral the poetics of performance and reconstructions of the oral    *The United States Catalog* ,1908    *Canadian Books in Print* ,2003    *The Publishers Weekly* ,1910    *Advertising and Selling* ,1916

**Re-imagining Milk** Andrea Wiley,2015-11-19 Milk is a fascinating food it is produced by mothers of each mammalian species for consumption by nursing infants of that species yet many humans drink the milk of another species mostly cows and they drink it throughout life Thus we might expect that this dietary practice has some effects on human biology that are different from other foods In Re imagining Milk Wiley considers these but also puts milk drinking into a broader historical and cross cultural context In particular she asks how dietary policies promoting milk came into being in the U S how they intersect with biological variation in milk digestion how milk consumption is related to child growth and how milk is currently undergoing globalizing processes that contribute to its status as a normative food for children using India and China as examples Wiley challenges the reader to re evaluate their assumptions about cows milk as a food for humans Informed by both biological and social theory and data Re imagining Milk provides a biocultural analysis of this complex food and illustrates how a focus on a single commodity can illuminate aspects of human biology and culture    *Bernice P.
