## **Bernie Sanders Contact:**

*White House Contacts with Treasury-RTC Officials about "Whitewater"-related Matters* United States. Congress. House. Committee on Banking, Finance, and Urban Affairs,1994      **Conservation Directory 2017** Lindsey Breuer,2016-09-06 Do you want to take action to protect Earth s environment Are you interested in learning more about wildlife conservation and environmental groups The Conservation Directory 2017 is a great resource for budding environmental activists and scholars alike who want to achieve a peaceful equitable and sustainable future This all inclusive volume is an amazing resource that can help further these environmental goals The new and revised 2017 edition of the Conservation Directory is the most comprehensive listing of conservation and environmental organizations yet published with information on more than four thousand government agencies nongovernmental organizations and colleges and universities as well as more than eighteen thousand officials concerned with environmental conservation education and natural resource use and management Each entry contains detailed contact information including names addresses and telephone numbers Also included are selected email and Internet addresses descriptions of program areas senior staff by name and responsibility principal publications and more Entries are categorized by organization and state or country and are indexed alphabetically and by subject on topics ranging from acid rain to zoology Each person listed in the directory is also indexed alphabetically      Conservation Directory 2015 Arlander C. Brown,2015-03-03 The authority on natural resource use and management agencies around the world Do you want to take action to protect Earth s environment Are you interested in learning more about wildlife conservation and environmental groups The Conservation Directory 2015 is a great resource for budding environmental activists and scholars alike who want to achieve a peaceful equitable and sustainable future This all inclusive volume is an amazing resource that can help further these environmental goals The new and revised 2015 edition of the Conservation Directory is the most comprehensive listing of conservation and environmental organizations yet published with information on more than four thousand government agencies nongovernmental organizations and colleges and universities as well as more than eighteen thousand officials concerned with environmental conservation education and natural resource use and management Each entry contains detailed contact information including names addresses and telephone numbers Also included are selected email and Internet addresses descriptions of program areas senior staff by name and responsibility principal publications and more Entries are categorized by organization and state or country and are indexed alphabetically and by subject on topics ranging from acid rain to zoology Each person listed in the directory is also indexed alphabetically      Unconventional, Partisan, and Polarizing Rhetoric Jeanine E. Kraybill,2017-11-14 The rhetoric and political communication of the 2016 Presidential Election was arguably unconventional partisan and polarizing becoming a defining characteristic of the tone and feel of the campaign In this volume we examine how rhetoric and various political communication strategies influenced and shaped the contours of the election and ultimately its outcome Witnessing the most

diverse electorate in U S political history we look at how voters were primed for an anti establishment outsider candidate and how various rhetorical and communication appeals were used to strategically engage different groups of voters and at times leave out or even scapegoat others We also analyze how rhetoric and political communication shaped the debate on key issues such as climate change immigration national security gender and representation In an age where having a social media presence is an essential campaign tool we examine how Twitter was used by candidates and its impact on the electorate and news coverage Overall we demonstrate that political rhetoric and communication is impactful bearing electoral consequences and the potential for policy outcomes giving the reader much to consider as we approach the next midterm and general election

*American Political Parties in the 21st Century* Dave Blevins, 2006-05-16 Since the United States gained its independence the American political landscape has been dominated by two major political parties first Whigs and Democrats and over the last century or so Democrats and Republicans In recent years however voter disenchantment with the major parties has led to the formation of numerous smaller parties Often addressing a particular concern such as the environment and operating on a local state or regional level these parties generally focus on affecting political decisions regarding specific topics of interest This book catalogs and describes more than 180 political parties that are active in the United States today Information has been gathered largely from the parties themselves via direct contact with representatives and from their websites From the Alaskan Independence Party to the Young Democratic Socialists entries contain the party name address telephone and fax numbers launch date and email and website addresses A review of the party s history and notable activities as well as an abbreviated summary of each party s platform is also provided Finally a listing of any affiliates and their contact information is also included where applicable
