Bernie Sanders James Adomian:

Insane Clown President Matt Taibbi, 2017-01-17 NEW YORK TIMES BESTSELLER Dispatches from the 2016 election that provide an eerily prescient take on our democracy's uncertain future by the country's most perceptive and fearless political journalist. In twenty-five pieces from Rolling Stone plus two original essays, Matt Taibbi tells the story of Western civilization's very own train wreck from its tragicomic beginnings to its apocalyptic conclusion. Years before the clown car of candidates was fully loaded, Taibbi grasped the essential themes of the story: the power of spectacle over substance or even truth; the absence of a shared reality; the nihilistic rebellion of the white working class; the death of the political establishment; and the emergence of a new, explicit form of white nationalism that would destroy what was left of the Kingian dream of a successful pluralistic society. Taibbi captures with dead-on real-time analysis the failures of the right and the left from the thwarted Bernie Sanders insurgency to the flawed and aimless Hillary Clinton campaign; the rise of the dangerously bright alt-right with its wall-loving identity politics and its rapturous view of the Racial Holy War to come; and the giant fail of a flailing reactive political media that fed a ravenous news cycle not with reporting on political ideology but with undigested

propaganda served straight from the campaign bubble. At the center of it all stands Donald J. Trump, leading a historic revolt against his own party's bloviating and farting his way through the campaign, saying outrageous things, acting like Hitler one minute and Andrew Dice Clay the next. For Taibbi, the stunning rise of Trump marks the apotheosis of the new postfactual movement. Taibbi frames the reporting with original essays that explore the seismic shift in how we perceive our national institutions, the democratic process, and the future of the country. *Insane Clown President* is not just a postmortem on the collapse and failure of American democracy. It offers the riveting, surreal, unique, and essential experience of seeing the future in hindsight. Scathing. What keeps the pages turning in this so-freshly familiar story line is the vivid observation and original turns of phrase.

San Francisco Chronicle *Trump Was a Joke* Sophia A. McClellan, 2023-03-24 Written by a scholar of satire and politics, *Trump Was a Joke* explains why satire is an exceptional foil for absurd political times and why it did a particularly good job of making sense of Trump. Covering a range of comedic interventions, *Trump Was a Joke* analyzes why political satire is surprisingly effective at keeping us sane when politics is making us crazy. Its goal is to highlight the unique power of political satire to encourage critical thinking, foster civic action, and further rational debate in moments of political hubris and hysteria. The book has been endorsed by Bassem Youssef, who has been referred to as the Jon Stewart of Egypt, and Srdja Popovic, author of *Blueprint for Revolution*, who used satirical activism to bring down Serbian dictator Slobodan Milošević. With a foreword by award-winning filmmaker, satirist, and activist Michael Moore, this study will be of interest to readers who follow politics and enjoy political comedy and will appeal to the communications, comedy studies, media studies, political science, rhetoric, cultural studies, and American studies markets.

Goliath Matt Stoller, 2019-10-15

Every thinking American must read The Washington Book Review this startling and insightful The New York Times look at how concentrated financial power and consumerism has transformed American politics and business Going back to our country's founding Americans once had a coherent and clear understanding of political tyranny one crafted by Thomas Jefferson and updated for the industrial age by Louis Brandeis A concentration of power whether by government or banks was understood as autocratic and dangerous to individual liberty and democracy In the 1930s people observed that the Great Depression was caused by financial concentration in the hands of a few whose misuse of their power induced a financial collapse They drew on this tradition to craft the New Deal In Goliath Matt Stoller explains how authoritarianism and populism have returned to American politics for the first time in eighty years as the outcome of the 2016 election shook our faith in democratic institutions It has brought to the fore dangerous forces that many modern Americans never even knew existed Today's bitter recriminations and panic represent more than just fear of the future they reflect a basic confusion about what is happening and the historical backstory that brought us to this moment The true effects of populism a shrinking middle class and concentrated financial wealth are only just beginning to manifest themselves under the current administrations The lessons of Stoller's study will only grow more relevant as time passes An engaging call to arms Kirkus Reviews Stoller illustrates here in rich detail how we arrived at this tenuous moment and the steps we must take to create a new democracy

Anthony Atamanuik, Neil Casey, 2018-10-23 A devastatingly hilarious satire that cuts closer to the truth of than any nonfiction account The creator and star of Comedy Central's acclaimed The President Show opens the vault and imagines Donald J Trump's presidential archives exposing documents from his childhood in Queens to his toddlerhood in the Oval Office The Presidential Archives Every other president has made a mess of it Barack Obama is currently spending millions of dollars probably trillions if you want to know the truth building a monument to himself And they don't even charge admission at these places No wonder this country is a zillion dollars in debt And what's the point These guys are already out of office and old news We hate to say it folks but the presidential library is totally broken and needs to be made great again America we herewith present the FIRST AND ONLY presidential library to be released in real time while the president is still in office Why delay But wait THERE'S MORE Who wants the hassle of having to go to some boring building in the middle of nowhere

The Eisenhower Library is in Abilene Kansas yikes What if you could have your favorite president's library delivered to your home today THAT'S NOT ALL What if you could carry that library with you EVERYWHERE Introducing THE DONALD J TRUMP PRESIDENTIAL ARCHIVES VOLUME 1 It's all here the 45th U.S. president's letters diaries Oval Office recordings Moscow hotel tapes grand jury testimony sealed indictments financial records subpoenas dossiers Michael Cohen recordings AND SO MUCH MORE Never has wisdom been so accessible It's the last book you will ever need to buy Or maybe just the last book published period Get yours NOW before the first amendment is abolished Don't miss VOLUME 2 THE PRISON YEARS coming soon Hopefully

The Fighting Soul Ari Rabin-Havt, 2022-04-26 Rabin Havt offers an intimate portrait of his cranky boss writing about everything from Sanders's famous mittens to his love of picket lines and Motown songs to his distaste for the inane droning of cable news commentators to his prescient fear that Donald Trump was nuts and would upend democracy Maureen Dowd New York Times The Fighting Soul is an unforgettable chronicle of life on the road with Bernie Sanders and the first in depth portrait of this fiercely independent and famously private left wing firebrand As a close advisor and deputy campaign manager on Sanders's most recent presidential campaign the tireless Ari Rabin Havt spent more hours between 2017 and 2020 with the Vermont senator than anyone else The Fighting Soul is a behind the scenes account of Sanders's run including his heart attack in Las Vegas his notorious debate encounter with fellow progressive Elizabeth Warren and a momentous private conversation between Sanders and Barack Obama Revelatory and heartfelt The Fighting Soul depicts the rare politician motivated by principle not power

Fight Oligarchy Senator Bernie Sanders, 2025-09-30 Oligarchy is a system in which a small number of extremely wealthy individuals control the economic political and media life of a nation It is a system in which ordinary people have very little power to determine the future of their country If you're an American it is the system in which you're living That must change In the wealthiest nation on earth we must build a political movement that creates a government that represents all Americans not just a handful of billionaires Bernie Sanders NEW YORK TIMES BESTSELLER Senator Bernie Sanders breaks down the unprecedented crises we face today in Trump's America as Trump undermines democracy at every turn and how we can effectively fight back From the moment that Sanders began his Fighting Oligarchy tour in the early days of the Trump administration it was clear that his message resonated with Americans across the political spectrum Record breaking crowds numbering in the tens of thousands showed up across the country Large numbers of Americans in red states and blue states were prepared to stand up and fight back In this book he shows how we can continue that fight In a series of short pointed chapters Sanders explains how the United States today is an oligarchic society in which a small handful of multibillionaires exercise enormous economic and political power He describes what it means when the very rich get much richer while the majority of Americans struggle to pay the rent and put food on the table And he observes how a corrupt campaign finance system allows billionaires in both parties to increasingly control our political system Sanders also discusses how under Trump we are rapidly moving toward

authoritarianism with a president who is undermining our democracy as he attacks Congress the courts the media and law firms and universities in search of more and more power for himself With relentless optimism and focused energy Sanders reminds readers that true power rests with the people and he presents a path forward to a reinvigorated democracy *The Essential Bernie Sanders and His Vision for America* Jonathan Tasini, 2015-08-24 Meet the essential Bernie Sanders an authentic and uncompromising champion of the people Independent United States Senator Bernie Sanders with a thirty five year career in public service first as Burlington Vermont s mayor then as Vermont s sole representative to Congress and currently as a United States senator is now campaigning to become president of the United States His goal is to build a movement to take back our country from the rich and powerful and return it to its rightful owners we the American people Sanders common sense populist message is resonating with Democrats Republicans independents as well as ordinary working and middle class Americans from all walks of life including millennials seniors veterans immigrants environmentalists union workers and more In this short accessible book author Jonathan Tasini draws heavily from Sanders ample public record of speeches statements and interviews and couples his working class spirit with specific legislation he has championed on a number of core proposals that comprise a broader people s agenda for America including A national single payer health care system Free public higher education Taking on wealth and income inequality Preserving Social Security Caring for our veterans Ensuring civil rights for all Combatting climate change Reforming Wall Street and much more *The Essential Bernie Sanders and His Vision for America* is a must read for anyone who shares a vision for a forward looking sustainable and more just United States of America and is eager to change the course of history *Where We Go from Here* Bernie Sanders, 2018-11-27 The inspiring national bestseller from the U S Senator and leading Democratic candidate for president about the fierce fight for democracy and social justice and what we need to do next In *Where We Go from Here* New York Times bestselling author Bernie Sanders reveals the blueprint for his 2020 presidential run by chronicling the day by day struggles that he and his progressive colleagues have waged over the last two years in the fight against Donald Trump s reactionary agenda and for a government that works for all not just wealthy campaign contributors At home Sanders has helped lead the fight for Medicare for all fought for workers desperate for higher wages and supported immigrants in the DACA program and children affected by gun violence He has stood with the people of Puerto Rico devastated by Hurricane Maria as well as veterans teachers the incarcerated the persecuted and all those who are too often ignored by Washington Abroad his voice has been clear that we need a foreign policy that strives for peace not war and international cooperation to address the crisis of climate change The good news is we re making progress People all across America are standing up to the most dishonest and reactionary president in our history They re taking on establishment politicians who ve turned a blind eye to the concerns of everyday citizens They re fighting back against the oligarchs of Wall Street who would happily see our children do worse than their parents so long as the Dow does better And the general public

continually demonstrates that we are more united than the media would allow us to believe and what we agree on are largely progressive ideals Maintaining a vibrant democracy has never been easy and in these dangerous and unprecedented times it has been more difficult than ever Bernie Sanders shows however that we can repair the damage Trump has done and create a nation based on the principles of economic social racial and environmental justice *Bernie Sanders: In His Own Words*

How Bernie Won

Jeff Weaver,2018-05-15 The brilliant manager of Bernie Sanders s 2016 presidential campaign shows how Bernie took on the entire establishment and changed modern American politics for good When Jeff Weaver hopped in a car with Bernie Sanders in the summer of 1986 he had no idea the Vermont backroads would lead them all the way to the 2016 presidential campaign In How Bernie Won Weaver shows how Bernie sparked a movement that would sweep America and inspire millions He vowed not to run a negative campaign He would focus on policies not personalities He would not be beholden to big money He would actually make America work for ordinary people Weaver also shows how they overcame significant challenges A media that thrived on negative campaigns A party controlled by insiders And a political system dependent on big money Weaver explains how Bernie beat them all and in doing so went from having little national name recognition when he entered to the race to being one of the most respected and well known people in the world by its end because Weaver argues Bernie won the race He moved the discussion from the concerns of the 1% to those of the 99% He forced the Democrats to remember their populist roots And he showed that an outsider with real ideas and ways to get them done could compete and win against the establishment s hand picked candidate From holding bags of Bernie buttons and picket stick signs to managing thousands of campaign workers to looking ahead to 2020 Weaver chronicles the birth of a revolution that didn t end in November 2016 It s only just begun
