Introduction **National Journal Reports**, 2006-11 **Parties & Politics in the New England States** Jerome M. Mileur, 1997 **Howard Dean** Dirk Van Susteren, 2003 No one knows a presidential candidate like the home state reporters who cover him or her day in and day out That s what makes this book about Howard Dean so useful it goes a long way toward explaining the who what and why of a man who until a few months ago was the widely dismissed former Governor of a small state but now is a real contender for the White House Judy Woodruff Anchor Of CNN s Inside Politics An In Depth Look At Howard Dean LESS THAN A YEAR ago Howard Dean was the most obscure candidate in a crowded field of aspirants for the Democratic nomination for president of the United States Today he is widely regarded as the one to beat Who is this man who came from out of nowhere and how did he move so quickly to the front of the pack Dean first burst onto the national stage at the Democratic National Committee s 2003 winter meeting In the 2002 mid term elections Democratic leaders had calculated that if they supported a slightly smaller tax cut and a slightly larger prescription drug benefit and showed slightly less eagerness to go to war in Iraq than President Bush they could keep control of the Senate and win back the House of Representatives That approach didn t work A few months later the former governor of Vermont strode to the podium at the DNC s worried winter gathering and blurted out What I want to know is why so many Democrats in Washington aren t standing up against Bush s unilateral war in Iraq My name is Howard Dean and I represent the Democratic wing of the Democratic Party The effect was electric Dean had seized the moment and he has followed it up with aggressive campaigning and a record setting fund raising effort Howard Dean A Citizen s Guide to the Man Who Would Be President sets out to answer Who is Howard Dean What do his life experiences and maybe more importantly his performance as Vermont s governor for nearly twelve years tell us about what he believes how he operates his strengths and weaknesses as a chief executive and on the campaign trail and what kind of a president he might be And what do those who know him and have worked for and against him really think Energetically reported by nine journalists whose experiences range from the Vermont statehouse to past presidential campaigns Howard Dean A Citizen s Guide to the Man Who Would Be President is filled with fresh often surprising information and keen new insights Separate chapters cover Dean s boyhood and college years his time as a family doctor and citizen legislator his record on the environment health care and budgets and his campaign s revolutionary use of the Internet as a grass roots organizing tool For readers looking to determine whether Dean can go the distance and how to cast their votes in 2004 this book is indispensable **Federal Yellow Book**, 2010
