**Love Your Neighbor** Ralph C. Stayer,2024-05-14

Love Your Neighbor makes the case for capitalism as the only system that can end poverty solve intractable crises and increase human flourishing Love Your Neighbor builds on the National Best Seller Flight of the Buffalo by Ralph Stayer with James Belasco Ralph s story and experience transformed the business world It offers a bold and straightforward plan for rethinking leadership still taught in business schools and leadership seminars worldwide Finally after decades of more experience Love Your Neighbor delivers the sequel that readers demanded Love Your Neighbor is the fruit of that patience and thirty years of reflection and leadership As the longtime CEO of Johnsonville Foods Ralph learned to let his workers lead Love Your Neighbor shows that the real secret behind Johnsonville s success was a conscious decision to align the company s practices with God s plan for human flourishing Love Your Neighbor defends and champions capitalism which continues to be under attack in America and why faith informed capitalism is the only vehicle that can bring prosperity and purpose to everyone

Love Your Neighbor goes beyond that of another pretty sermon it's a blueprint for transformation based on Ralph's decades of experience as one of America's most successful CEOs. It provides a moral foundation for capitalism during a time of challenge and crisis, demonstrating its vast superiority over socialism and other fallen economic systems. Ralph's experience at Johnsonville Foods points to a proud and unapologetic conviction in capitalism that serves God, builds strong communities, and embodies what it means to love your neighbor.

**Politicians at Night** Gonen Dori-Hacohen, Eean Grimshaw, Menno H. Reijven, 2024-02-19. *Politicians at Night: Interaction and Discourse on the Entertainment Political Interview* studies the exchanges between presidential candidates and talk show hosts on broadcast late night shows in the United States. Gonen Dori Hacohen, Eean Grimshaw, and Menno H. Reijven use various language and social interaction frameworks including membership categorization analysis, conversation analysis, narrative analysis, and semiotics. They develop a broad understanding of the Entertainment Political Interview (EPI) and its cultural role. They discuss how politicians use pronouns to achieve inclusion and exclusion. Similarly, the authors demonstrate how and why the hosts ask softball questions. Unlike these two elements that create politics, the authors demonstrate how politicians use stories to present themselves like celebrities. They then demonstrate how politicians intersect with entertainment when they analyze one specific segment called "Slow Jam the News" on *The Tonight Show with Jimmy Fallon*. The linking of the politician to entertainment is part of the final argument of the book where the authors critically examine the EPI as part of a myth since it vacates the politics of its original form while maintaining a facade of politics. EPI promotes a capitalist neoliberal ideology that is at the root of both entertainment and politics in the U.S.

**The American Crisis** Writers of The Atlantic, 2020-09-15. Some of America's best reporters and thinkers offer an urgent look at a country in chaos in this collection of timely, often prophetic articles from The Atlantic. The past four years in the United States have been among the most turbulent in our history and would have been so even without a global pandemic and waves of protest nationwide against police violence. Drawn from the recent work of The Atlantic staff writers and contributors, *The American Crisis* explores the factors that led us to the present moment: racial division, economic inequality, political dysfunction, the hollowing out of government, the devaluation of truth, and the unique threat posed by Donald Trump. Today's emergencies expose pathologies years in the making. Featuring leading voices from The Atlantic, one of the country's most widely read and influential magazines, *The American Crisis* is a broad and essential look at the condition of America today and at the qualities of national character that may yet offer hope.
