**The Making of a Dream** Laura Wides-Munoz, 2018-01-30 A sweeping chronicle of the immigrant rights movement Wides-Munoz reminds us that thanks to the ability of young people to dream what seems impossible today may yet prove achievable tomorrow New York Times Book Review A journalist chronicles the next chapter in civil rights the story of a movement and a nation witnessed through the poignant and inspiring experiences of five young undocumented activists who are transforming society's attitudes toward one of the most contentious political matters roiling America today immigration They are called the DREAMers young people who were brought or sent to the United States as children and who have lived for years in America without legal status Growing up they often worked hard in school planned for college only to learn they were in the eyes of the United States government and many citizens illegal aliens Determined to take fate into their own hands a group of these young undocumented immigrants risked their safety to come out about their status sparking a transformative movement engineering a seismic shift in public opinion on immigration and inspiring other social movements across the country Their quest for permanent legal protection under the so-called Dream Act stalled But in 2012 the Obama administration issued a landmark new immigration policy Deferred Action for Childhood Arrivals or DACA which has since protected more than half a million young immigrants from deportation even as efforts to install more expansive protections remain elusive The Making of a Dream begins at the turn of the millennium with the first of a series of Dream Act proposals follows the efforts of policy makers activists and undocumented immigrants themselves and concludes with the 2016 presidential election and the first months of the Trump presidency The immigrants' coming-of-age stories intersect with the watershed political and economic events of the last two decades 9/11 the recession the wars in Iraq and Afghanistan the Obama presidency and the rebirth of the anti-immigrant right In telling their story Laura Wides-Munoz forces us to rethink our definition of what it means to be American

**The Big Guy** Miranda Devine, 2024-09-24 The New York Post columnist Fox News contributor and national bestselling author of *Laptop from Hell* returns with the explosive definitive account of the Biden family scandals It's rare that a campaign season has anything like an IRS whistleblower and a California US attorney saying they were blocked from pursuing charges foreign wire transfers of millions of dollars going to several members of politician's family suspicious slap on the wrist plea deals mounds of incrimination texts a previously unacknowledged child with a stripper and multiple congressional investigations It's unprecedented to have them all tied to one politician like Joe Biden The federal government and the mainstream media have been selling the narrative for years that Hunter Biden is a good son with addiction problems

who has suffered enough But what if the Biden family has been involved in sketchy financial dealings and coverups that get bigger every passing year Miranda Devine goes deep into the dark underbelly of American politics where it s okay to break the law as long as you follow the rest of the elite s rules With a surgeon s precision she dissects the shady dealings of the Biden family in China and Eastern Europe exposing the cover up within the government and media With meticulous research and insider sources Devine uncovers the shocking truth about Joe Biden s involvement in his son Hunter s business dealings and the extent of their corruption Many have argued that intelligence agents and social media companies tilted the 2020 election in Biden s favor by hiding the contents of Hunter s laptop Devine goes beyond their coverage to silence the truth and in The Big Guy finally reveals the corruption within the Biden family and the government **MEIN KAMPF Adolf Hitler** Micky Banetti,Dead Writers Club,Adolf Hitler,Ian Tinny,Pointer Institute,Dr. Rex Curry, Esq.,2015-08-05 MEIN KAMPF Adolf Hitler exposed Nazi salutes came from the USA s Pledge of Allegiance Swastikas were S letters for SOCIALIST This blood drenched book offers eye popping new analysis of Mein Kampf 1 Mein Kampf does not contain the word Nazi in any form 2 Mein Kampf does not contain the phrase Third Reich 3 Mein Kampf does not contain the word Fascist ever as a self reference by Hitler 4 Mein Kampf does not contain a single use of the word swastika 5 Nazis did not call their symbol a swastika 6 Swastikas represented crossed S letters for SOCIALISTS under Adolf Hitler 7 Nazi salutes and Nazi behavior originated from the USA s Pledge of Allegiance to the flag 8 The Nazi salute came from the military salute as used in the original Pledge of Allegiance in the USA 9 The word Fascist is related to the word faggot 10 Vienna Austria Hitler was born in Austria is the origin of the word wiener 11 The word Kampf in Hitler s Mein Kampf is related to these words campaign champagne champignon champion champ camp and campus 12 Learn about the socialist Wholecaust of which the Holocaust was a part 13 The fascist salute was performed by public officials in the USA from 1892 through 1942 What happened to the photographs and films of the American fascist salute performed by federal state county and local officials Public officials in the USA who preceded the Adolf Hitler and the Benito Mussolini were sources for the stiff armed salute and robotic chanting in those countries and other foreign countries 14 Explore how the ancient Roman salute myth originated from the city of Rome in the state of New York not Italy Francis Bellamy s hometown Learn about Mussolini s strange gift to the city of Rome NY a statue of two human male infants suckling on a female wolf That statue remains on display in Rome NY The author Micky Barnetti explores the work of the historian Dr Rex Curry in jaw dropping detail Dr Curry was the first to point out that Wikipedia and other so called sources including all the news outlets that you pay attention to cites no example of Hitler ever using the term Third Reich or Nazi or Fascist as a self identifier in German or in any language And yet Wakipedia similar to all the news outlets that you have spent your entire life paying attention to deceives users into believing that Hitler over used the term Third Reich and Nazism and Fascism as a self identifier for his dogma Writers for Wakipedia and its ilk are the people who over use those terms They over use those terms to hide the word that Hitler DID use SOCIALISM Barnetti

reminds us of the history of robotic chanting en masse and on cue accompanied by violence for anyone who refused to submit Calling someone a fascist is the fastest way to shut someone up defining their views as beyond the pale But who are the real fascists in our midst According to the author Micky Barnetti the quintessential socialist isn't an SS storm trooper it is a public school teacher brainwashing children every day for 12 years of their lives The pledge remains the first fascist bullying that begins each day in government schools socialist schools in Police State USA Find out why if the truth were taught about the Pledge of Allegiance then everyone other than fascist kooks would refuse to perform Francis Bellamy's quotidian mechanical ritual Remove the pledge from the flag remove the flag from schools remove schools from government The Pointer Institute proudly presents another news breaking volume from the Dead Writers Club DWC and Micky Barnetti in the field of Anarchaeology and Misanthropology A portion of the proceeds of the sale of this book will aid the Stop the Pledge Foundation to liberate children and adults from the Pledge of Allegiance in the USA For more information please write to [pledgeofallegiance@earthlink.net](mailto:pledgeofallegiance@earthlink.net)
