### **2016: the Campaign Chronicles** JD

Foster, 2019-10-08 The 2016 campaign ended with Donald J Trump as president elect of the United States astounding just about everyone More than two dozen candidates had vied for the two parties nominations leaving Trump and former Secretary of State Hillary Clinton Her flaws standing in rough proportion to her strengths Clinton had been the presumed Democratic nominee though Bernie Sanders had nearly upended her run In contrast Trump's capturing the Republican nomination seemed preposterous before and after the fact The campaign overall was far more than the result It was a long tumultuous outrageous frolic of American politics The Campaign Chronicles was written contemporaneously with events as they happened so as to capture the sense of each amazing if horrific moment Even weeks after the election the country remained stunned by the outcome which as we learned foretold of a presidency unlike any before it But before the presidency there was a campaign about which many histories will be written But before the histories must come the chronicling history stripped of faded memories and coherent perspective Herewith such a chronicling written from a determinedly neutral posture presenting the good with the bad for all concerned

How I Lost By Hillary Clinton ,2017-07-06 Judging by the stance of the leadership of the Democratic Party and much of

the media Hillary Clinton's devastating loss in the presidential election of November 2016 was all the fault of pernicious Russian leaks unwarranted FBI investigations and a skewed electoral college. Rarely blamed was the party's decision to run a deeply unpopular candidate on an uninspiring platform. At a time of widespread dissatisfaction with business as usual politics the Democrats chose to field a quintessential insider. Her campaign dwelt little on policies focusing overwhelmingly on the personality of her opponent. That this strategy was a failure is an understatement. Losing an election to someone with as little competence or support from his own party as Donald Trump marked an extraordinary fiasco. The refusal of the Democratic leadership to identify the real reasons for their defeat is not just a problem of history. If Democrats persevere with a politics that prioritizes well off professionals rather than ordinary Americans they will leave the field open to right wing populism for many years to come. Drawing on the WikiLeaks releases of Clinton's talks at Goldman Sachs and the e-mails of her campaign chief John Podesta as well as key passages from her public speeches *How I Lost* By Hillary Clinton also includes extensive commentary by award winning journalist Joe Lauria and a foreword by Julian Assange editor in chief of WikiLeaks. It provides in the words of the Democratic candidate and her close associates a riveting unsparing picture of the disastrous campaign that delivered America to President Trump and a stark warning of a mistake that must not be repeated.

[Clinton, Sanders, Trump: Election 2016](#) Pamela Lillian Valemont, 2016-10-23 A numerological analysis of the three protagonists for the 45th Presidency of the United States of America in the 58th Quadrennial election of 2016. An analysis of Hillary Clinton, Bernie Sanders, Donald Trump, Seth Rich and Shawn Lucas who were two of several people whose mysterious deaths prompted an outpouring of suspicion and outrage among the millions of social democratic revolutionaries following Bernie Sanders. Unquestionably the most contentious, bitterly and deviously fought election in modern history. What did it take to stop a democratic socialist entering the White House? Would the privileged stop at nothing to prevent a collapse of the oligarchy that now rules America? Julian Assange's connection with Seth Rich and the murders happening in the circumference of the DNC nothing like it had been witnessed before in the history of an election in the USA. Clearly cages were rattled. A conspiracy to prevent the truth being known. Trump accused of allowing Russia to sabotage the election.

**An Unprecedented Election** Benjamin R. Warner, Dianne G. Bystrom, Mitchell S. McKinney, Mary C. Banwart, 2018-02-21 Written by leading scholars of political communication this book provides a comprehensive accounting of the campaign communication that characterized the unprecedented 2016 presidential campaign. The political events leading up to election day on November 8 2016 involved unprecedented events in U.S. history. Hillary Clinton was the first woman to be nominated by a major party and she was favored to win the highest seat in the nation. Donald Trump, arguably one of the most unconventional and most unlikely to succeed candidates in U.S. history, became the leading candidate against Clinton. Then an even more surprising thing happened. Trump won an outcome unexpected by all experts and statistical models. *An Unprecedented Election* Media Communication and the Electorate in the 2016 Campaign presents proprietary research conducted by a national election
