That's Not Funny Matt Sienkiewicz, Nick Marx, 2024-03-26 A 2022 Best Comedy Book Vulture A rousing call for liberals and progressives to pay attention to the emergence of right wing comedy and the political power of humor Why do conservatives hate comedy Why is there no right wing Jon Stewart These sorts of questions launch a million tweets a thousand op eds and more than a few scholarly analyses That s Not Funny argues that it is both an intellectual and politically strategic mistake to assume that comedy has a liberal bias Matt Sienkiewicz and Nick Marx take readers particularly self described liberals on a tour of contemporary conservative comedy and the right wing comedy complex In That s Not Funny complex takes on an important double meaning On the one hand liberals have developed a social psychological complex it feels difficult even dangerous to acknowledge that their political opposition can produce comedy At the same time the right has been slowly building up a comedy industrial complex utilizing the humorous irony laden media strategies of liberals such as Jon Stewart Samantha Bee and John Oliver to garner audiences and supporters Right wing comedy has been hiding in plain sight finding its way into mainstream conservative media through figures ranging from Fox News s Greg Gutfeld to libertarian podcasters like Joe Rogan That s Not Funny taps interviews with conservative comedians and observations of them in action to guide readers through media history text and technique You will find many of these comedians utterly appalling some surprisingly funny and others just plain weird They are all however culturally and politically relevant the American right is attempting to seize spaces of comedy and irony previously held firmly by the left You might not like this brand of humor but you can t ignore it

Striving for Justice Nat Glover, 2023-08-22 On a sweltering day in August 1960 in the segregated Deep South city of Jacksonville Florida a seventeen year old Black boy finished his dishwashing job at Morrison s Cafeteria walked out the back door and found himself in the middle of a nightmare Hundreds of white men with ax handles and baseball bats were attacking Black sit in protestors in Hemming Park Suddenly surrounded the young man endured menacing blows and racist taunts He called for help from a white police officer standing nearby but no help came And he felt an unwarranted shame he determined never to feel again His name was Nat Glover Nat s life could have ended that day but instead the ordeal reinforced his plans to become a police officer His belief in a better world could have faded to cynicism but instead it took root in his spirit His desire to overcome the poverty and racism of his youth could have given in to shame but instead Nat resolved to dedicate his life to honoring the dignity of all people Nat Glover went on to serve in law enforcement for thirty seven years became the first Black sheriff in Jacksonville Florida and the state of Florida in over a hundred years post Reconstruction and chose again and again to do the right thing at the right time for the sake of justice compassion and truth In Striving for Justice Nat recounts his history making years in police reformation the values that fuel him as a leader and American citizen and what he believes will move this country forward toward hope and healing just as he once rose again against all odds
