## **Bernie Sanders John Boehner:**

*Blueprints for the Eagle, Star, and Independent* Will Good, 2015-03-31 Blueprints for the Eagle Star and Independent Revised 2nd Edition traces the formation of the ideologies of the modern Republican and Democratic parties through the actions and policies of their political leaders starting from Theodore Roosevelt and Woodrow Wilson up to Barack Obama and John Boehner. The need for a strong Independent party is made one whose constitutionally based platform and general beliefs would center around common sense solutions for the common good and be ably led by today's truly independent leaders. This book provides a factual account of the derivation of the political ideologies of the two major American political parties and how the influence of key leaders and events shaped their policies. A substantial amount of effort is made to describe what an Independent party must stand for in order to compete with the two major parties on equal ground

**Algorithms and the End of Politics** Scott Timcke, 2021-02-15 EPDF and EPUB available Open Access under CC BY NC ND licence As the US contends with issues of populism and de democratization this timely study considers the impacts of digital technologies on the country's politics and society. Timcke provides a Marxist analysis of the rise of digital media social networks and technology giants like Amazon Apple Facebook and Microsoft. He looks at the impact of these new platforms and technologies on their users who have made them among the most valuable firms in the world. Offering bold new thinking across data politics and digital and economic sociology this is a powerful demonstration of how algorithms have come to shape everyday life and political legitimacy in the US and beyond

**The Long Alliance** Gabriel Debenedetti, 2022-09-13 New York Magazine national correspondent Gabriel Debenedetti reveals an inside look at the historically close complicated occasionally co-dependent and at times uncertain relationship between Joe Biden and Barack Obama. Delving far deeper than the simplistic bromance narrative that's long held the public eye. The Long Alliance reveals the past present and future of the unusual partnership detailing its development its twists and turns its ruptures and reunions and its path to this pivotal moment for each man's legacy. The true story of this relationship from 2003 into 2022 is significantly more layered and consequential than is widely understood. The original mismatch between the veteran Washington traditionalist and the once in a generation outsider has transformed repeatedly in ways that have molded not just four different presidential campaigns and two different political parties but also wars a devastating near depression movements for social equality and the fight for the future of American democracy. The bond between them has been at various times over the past two decades tense affectionate nonexistent and ironclad but it has always been surprising. Now it is shaping a second presidential administration and the future of the world as we know it
