**America: Unite or Die** Douglas E. Schoen, Carly Cooperman, 2021-12-21 WHAT AMERICA MUST DO TO ACHIEVE UNITY AND SAVE OUR DEMOCRACY AMERICA UNITE OR DIE is a real time analysis of why American Democracy is crumbling and why both sides Republicans and Democrats are responsible for its collapse This is the first objective nonpartisan analysis of what has happened and most importantly explains what we can do to avoid impending doom for our system and most of all our nation ONE NATION INDIVISIBLE America is the only country in the history of the world founded on an idea and that idea is liberty It s an idea that resulted in the most flourishing citizenry in human history but today that idea is under attack not just from foreign adversaries but from within as the extreme right of the Republican Party and extreme left of the Democratic Party move further and further apart These dangerous corrosive positions pose a serious threat to the foundations of American democracy as we now face A political class that has lost touch with mainstream America Public loss of trust in the institutions of democracy The rise and mobilization of extremism on the right and left both threatening violence The rise of social media websites and cable TV news that splinters audiences and creates alternate realities Inequality of opportunity that creates a two tiered society of haves and have nots Anti democratic regimes ruling China and Russia that threaten freedom around the world In an era of growing distrust demonization and hatred as we live America s tragic Tale of Two Cities our most inspired turn is to embrace the idea engendered in a true symbol of American democracy the mighty woman with a torch the Statue of Liberty Enlightening the World Give me your tired your poor Your huddled masses yearning to breathe free When citizens who work hard and play by the rules believe they have no shot at the American Dream or conclude that the American values identity and the principles they grew up with are vanishing a giant question mark hangs over the future of our democracy If we hope to preserve our democracy both sides must start by reaffirming their belief in the democratic principles of America so they can move from the fringes to the moderate middle of the road positions that millions of Americans embrace AMERICA UNITE OR DIE is an inspired plan to turn the Divided States of America into the Reunited State of America America Unite or Die is a must read for anyone interested in politics and governing or in the current dysfunction of our political system Douglas Schoen and Carly Cooperman are great scholars and practitioners of American politics They are two of the country s finest pollsters and strategists who have seen it all from advising presidents in the White House to analyzing the voters in the precincts across America The polarization in this country today is explained clearly Every citizen who cares about this extraordinary country of ours should read this book and be enlightened about what s going on around them Ed Rollins former assistant to President Reagan for political and governmental affairs and former co chairman to the National Republican Congressional Committee *The Radical Mind* David Horowitz, 2023-11-14 A harrowing journey through the corridors of the twenty first century totalitarianism that goes by the name of progressivism Must read DINESH D SOUZA David Horowitz is a modern legend This book is critical to

understanding the left and how we defeat them CHARLIE KIRK AMERICA IS HEADING TOWARD THE ABYSS THE RADICAL MIND is both a stark warning and call to arms to protect the country from decline ruin and disgrace It identifies the crisis facing the nation as a crisis of faith faith in the Constitution that has shaped our destiny faith in individual freedom and accountability faith in the principle of equality before the law At stake Nothing less than the American way of life and the liberty and freedoms all Americans enjoy In his latest broadside against the radical left New York Times bestselling author David Horowitz pulls back the curtain of secrecy and lies and exposes the dangerous methods and agendas of a woke left mob and identifies what a decent society needs to do to keep the country from slipping away including Defend families against the intrusion of outside forces ideological and governmental which seek to capture the hearts and minds of children to serve their destructive agendas Stop radicals from debasing Judeo Christian values and silencing Christian communities and voices in favor of political state control Reject progressive blindness including false racist narratives that America is a racist country Challenge the existential threat to American democracy from a Democratic Party that has made dialogue compromise and bipartisanship impossible and uses a corrupt and compliant media to unleash a constant tsunami of hate toward conservatives and ordinary Americans alike Renew faith in the Constitution and in individual freedom Read THE RADICAL MIND and join the fight against the destructive plans of the woke left The hour is late and the forces of darkness are upon us To save our freedoms Americans must renew their faith in their country relearn its history reacquaint themselves with the wisdom of the founders and reject the siren songs of the envious the resentful and the haters of human diversity who have malice in their hearts DAVID HOROWITZ **America Needs God - Not Hypocrites, Liars, and Socialists!** D. Street, 2019-11-20 Our culture is under attack The battlefield is covered with the ruins of landmarks and monuments of the past dedicated to morality and natural law Throughout the centuries Christians have held high the banner of Jesus Christ for the world to see The culture has been protected and defended by the Christian soldiers in America since its founding However there is a darkness spreading throughout the land Leftist doctrines are gaining footholds and acquiring the fortresses of old The hallowed bastions of learning called American public schools once venerated by the world are now languishing crippled by the leftist ideologies they have now adopted in place of classical liberal education Christianity once the standard moral center of the community has now been replaced by pluralism

relativism and postmodernism The epicenter of this transformation has been and still is the public schools On the Frontlines Exposing Satan s Tactics to Destroy a Generation is a clarion call from a Christian educator and administrator to the church It is time we as a body of believers stand up and be counted among those who refuse to allow the religion of the left to prevail
