Bernie Sanders North Carolina:

The Faces of Poverty in North Carolina Gene R. Nichol, 2021-11-01 More than 15 million North Carolinians today live in poverty More than one in five are children Behind these sobering statistics are the faces of our fellow citizens This book tells their stories Since 2012 Gene R Nichol has traveled the length of North Carolina conducting hundreds of interviews with poor people and those working to alleviate the worst of their circumstances In an afterword to this new edition Nichol draws on fresh data and interviews with those whose voices challenge all of us to see what is too often invisible to look past partisan divides and preconceived notions and to seek change Only with a full commitment as a society Nichol argues will we succeed in truly ending poverty which he calls our greatest challenge [The Battle for the White House](#) Christiane Lemke, Jakob

Wiedekind, 2022-11-10 This book provides a concise and engaging analysis of the particularly unusual 2020 election year in the USA The political science perspective illuminates societal tensions in the context of the Corona pandemic and elaborates election deciding discourses Larger socio political trends such as ideological polarisation are addressed as well as the different campaign strategies of the two parties In addition the book offers insights into the election results of this landmark presidential election for American society and for the development of its democracy The final evaluation of the resulting implications for transatlantic relations rounds off the book **Donald Trump and American Populism** Conley Richard S.

Conley, 2020-06-18 Dissecting the populist leadership style of President Donald Trump Places Trump's presidential leadership style within a comparatively historical and political development theoretical framework Considers Trump's use of social media as a form of public politics that represents an adaptation of presidential communication style to new technology while rebuffing the traditional bully pulpit Assesses the impact of Trump's negative rhetoric and efforts to challenge if not delegitimize other national institutions Courts Congress question media truthfulness and his personalization of political opponents Employs case studies to weigh Trump's political strategy from mobilizing grassroots support to foreign diplomacy This book evaluates the presidency of Donald Trump from a comparative historical approach to connect his populist style to his predecessors Trump's method of communication through social media obviously differs from previous candidates and presidents with populist platforms but his themes a disdain for elites grassroots support majoritarianism anti intellectual discourse and nativism borrow variably from such figures as Andrew Jackson Huey Long Barry Goldwater and Ross Perot As such Trump's approach to governance falls within a long tradition of populism dating to the 19th Century **Populism in**

Global Perspective Pierre Ostiguy, Francisco Panizza, Benjamin Moffitt, 2020-12-29 Pathbreaking theoretically and innovative in treatment Populism in Global Perspective is a seminal addition to the literature on arguably the most controversial and fervently discussed topic in political science today The book brings together established and rising stars in the field of populism studies in an integrated set of theoretical and empirical studies centered on a discursive performative notion of populism Contributors argue that populist identification is relational and sociocultural and demonstrate the

importance of studying populism phenomenologically together with anti populism The truly global series of case studies of populism in the US Western and Southern Europe Latin America South Africa the Philippines and Turkey achieves a deliberate balance of left and right instances of populism including within regions and of populism in government and opposition Written in a style approachable to students and specialists alike the volume provides a substantial foundation for current knowledge on the topic Populism in Global Perspective is a must read for comparativists political theorists sociologists area studies specialists and all educated readers interested in populism worldwide *Red November* Joel B. Pollak, 2020-07-14 A conservative journalist goes behind enemy lines to cover the 2020 Democratic primaries from the inside The 2020 Democratic primaries were some of the most extreme in the history of the United States But the show isn't over yet Socialism is still on the rise and ideas that used to be considered crazy are now even more mainstream than they were before In *Red November* conservative journalist Joel Pollak tells the story of how the Democratic party got so extreme and give a riveting account of life on the campaign trail There are stories from the Democratic debates interviews with candidates and scuffles between journalists Part travelogue part satire part memoir *Red November* is a factual yet humorous look behind the scenes at the candidates activists and voters as Democrats choose who will take on the sacred task of removing Donald Trump 45 as he is known to his haters from the White House and ushering in a utopian age of Medicare for All and the Green New Deal *Complex Networks & Their Applications IX* Rosa M. Benito, Chantal Cherifi, Hocine Cherifi, Esteban Moro, Luis Mateus Rocha, Marta Sales-Pardo, 2021-01-04 This book highlights cutting edge research in the field of network science offering scientists researchers students and practitioners a unique update on the latest advances in theory and a multitude of applications It presents the peer reviewed proceedings of the IX International Conference on Complex Networks and their Applications COMPLEX NETWORKS 2020 The carefully selected papers cover a wide range of theoretical topics such as network models and measures community structure network dynamics diffusion epidemics and spreading processes resilience and control as well as all the main network applications including social and political networks networks in finance and economics biological and neuroscience networks and technological networks **North Carolina Reports** North Carolina. Supreme Court, 1906 Cases argued and determined in the Supreme Court of North Carolina **The Polling Report**, 1996 **Congress and the Nation 2017-2020, Volume XV** David Hosansky, 2023-08-16 Chronicling the polarized partisan environment during the President Donald Trump's term *Congress and the Nation 2017-2020 Vol XV* will be the most authoritative reference on congressional lawmaking and trends during the 115th and 116th Congresses *Congress and the Nation* is a unique reference product rivaled only by the annual editions of the CQ Almanac in its coverage of the legislative and policymaking activities of the U S national legislature After its original publication in the mid 1960s in a one volume work covering 20 years 1945-1965 of lawmaking the succeeding editions vols II XIII have been focused on 4 years of lawmaking activity under succeeding presidential administrations Each new quadrennial edition is organized into 14 policy

centered chapters economy homeland security since vol XI foreign policy defense policy energy and environment health etc and two chapters that cover matters internal to Congress and the presidential administration The policy chapters cover the major legislative activities in the two numbered congresses convened during the four year period The result is a narrative and analytical account of the lawmaking by the U S Congress that provides students scholars and journalists with a digestible and accurate retrospective accounts difficult to find or reconstruct from news media as well as longer term historical perspective of congressional lawmaking This is a landmark series for CQ Press that has proven its value among librarians for decades *Alumni History of the University of North Carolina* University of North Carolina (1793-1962),1924 *Lies of Our Times* ,1991 **Walsh's Winston-Salem, North Carolina, City Directory ...** ,1904 **UE ...
