**Bernie Sanders...He Would Have Been Elected President 2016** Dr. Jannay P. Valdez,2018-03-08 Bernie Sanders the 45th President of the United States of America Why did this NOT happen How could he NOT be elected as President There are many reasons to be dealt with in this book The assassination of President John F Kennedy was the most significant political event in modern American history Today s students place little interest in the Viet Nam War World War I or World War II etc but most are familiar with The Assassination John F Kennedy is still a household word and most reasonable people do not accept the one bullet theory or the Warren Report The Assassination of John F Kennedy the Kennedy family and the Kennedy Curse are all dealt with in this fabulous story *The Speech* Bernie Sanders,2015-12-22 On Friday December 10 2010 Vermont Senator Bernie Sanders walked on to the floor of the United States Senate and began

speaking It turned out to be a very long speech lasting over eight and a half hours And it hit a nerve Millions followed the speech online until the traffic crashed the Senate server A huge positive grassroots response tied up the phones in the senator s offices in Vermont and Washington President Obama reportedly held an impromptu press conference with former President Clinton to deflect media attention away from Sanders speech Editorials and news coverage appeared throughout the world In his speech Sanders blasted the agreement that President Obama struck with Republicans which extended the Bush tax cuts for millionaires and billionaires lowered estate tax rates for the very very rich and set a terrible precedent by establishing a payroll tax holiday diverting revenue away from the Social Security Trust Fund threatening the fund s very future But the speech was more than a critique of a particular piece of legislation It was a dissection of the collapse of the American middle class and a well researched attack on corporate greed and on public policy which over the last several decades has led to a huge growth in millionaires even as the United States has the highest rate of childhood poverty in the industrialized world It was a plea for a fundamental change in national priorities for government policy that reflects the needs of working families and not just the wealthy and their lobbyists Finally Sanders speech published here in its entirety with a new introduction by the senator is a call for action It is a passionate statement informing us that the only people who will save the middle class of this country is the middle class itself but only if it is informed organized and prepared to take on the enormously powerful special interests dominating Washington

*Fight Oligarchy*

Senator Bernie Sanders,2025-10-21 Oligarchy is a system in which a small number of extremely wealthy individuals control the economic political and media life of a nation It is a system in which ordinary people have very little power to determine the future of their country If you re an American it is the system in which you re living That must change In the wealthiest nation on earth we must build a political movement that creates a government that represents all Americans not just a handful of billionaires Bernie Sanders NEW YORK TIMES BESTSELLER Senator Bernie Sanders breaks down the
