**Bernie Bros Gone Woke** Marc James Léger,2022-03-28 In 2016 and 2020 the Bernie Sanders campaign gave American leftists a path towards social change through electoral politics In order to combat neoliberal and reactionary uses of identity the 2020 Sanders campaign combined a working class agenda of universalist policies with various forms of social movement activism In doing so it compromised on universalist principles and socialist radicalism in order to appeal to distinct demographic groups and win the election Bernie Bros Gone Woke reveals how intersectional politics contributed to the failure of the Sanders campaign a lesson that the organized left must learn if it is to challenge progressive neoliberalism and move beyond postmodern post politics

*Toppling Trump* Samuel J. Best,Jeffrey W.

Ladewig,2024-07-05 This book tells the story of the 2020 presidential election campaign exploring how Joe Biden secured the Democratic nomination and defeated Donald Trump in the general election It argues that Democratic Party elites paved the way for Biden s victory enabling him to overcome numerous campaign missteps to defeat one of the largest wealthiest most

competitive fields in history It details how elites discouraged potential rivals from entering the race orchestrated rules to truncate the field and steered voters toward Biden s candidacy both directly and indirectly It shows how they helped the Biden campaign overcome early defeats in the first several contests and turn his campaign around And it shows the critical role they played in mobilizing partisans to help Biden win the general election campaign and thwarting efforts to undermine his victory Simply put the book demonstrates that Biden would not have won the White House without maneuvering and manipulation by the Democratic establishment    Political Suicide Ted Rall,2020-06-23 Ted Rall s latest is a no holds barred look at the civil war raging within the Democratic Party in the graphic style of his national bestseller *Bernie* There s a split in the Democratic Party Progressives are surging with ideas and candidates like Bernie Sanders Elizabeth Warren and Alexandria Ocasio Cortez 72 percent of Democratic voters are progressives But centrists like Tom Perez and the Clintons still run the DNC party apparatus and they don t want to compromise Intraparty warfare exploded into the open in 2016 It s even bigger now The struggle goes back decades to the New Left and the election of Richard Nixon over George McGovern It continued with the Democratic establishment s quashing of insurgent progressives like Jesse Jackson Ralph Nader and Howard Dean The vast scale of the DNC s secret conspiracy to stop Bernie Sanders in 2016 nomination came out courtesy of WikiLeaks Will Democrats again become the party of the working person Or will the corporatists win and continue their domination of electoral politics Ted Rall gets to the bottom of the story neither the Democrats nor the Republicans want you to know how the civil war in the Democratic Party poses an existential threat to the two party system    **Alternative Media**

**Meets Mainstream Politics** Joshua D. Atkinson,Linda Kenix,2019-05-20 Alternative Media Meets Mainstream Politics Activist Nation Rising demonstrates the rising role that alternative media play in contemporary mainstream political communication The rise of the modern Internet and social media platforms have allowed for the proliferation of alternative media across society in ways that were not possible twenty years ago Today alternative media have become more intertwined with mainstream media and have become increasingly relevant in mainstream political communication Contributors focus on three primary sites where such media seem to have established growing influence in recent years political parties mainstream political news and the production of participatory media that allow for engagement Scholars of communication political science sociology and media studies will find this collection useful    **The Fighting Soul** Ari

Rabin-Havt,2022-04-26 Rabin Havt offers an intimate portrait of his cranky boss writing about everything from Sanders s famous mittens to his love of picket lines and Motown songs to his distaste for the inane droning of cable news commentators to his prescient fear that Donald Trump was nuts and would upend democracy Maureen Dowd New York Times The Fighting Soul is an unforgettable chronicle of life on the road with Bernie Sanders and the first in depth portrait of this fiercely independent and famously private left wing firebrand As a close advisor and deputy campaign manager on Sanders s most recent presidential campaign the tireless Ari Rabin Havt spent more hours between 2017 and 2020 with the Vermont senator

than anyone else The Fighting Soul is a behind the scenes account of Sanders's run including his heart attack in Las Vegas his notorious debate encounter with fellow progressive Elizabeth Warren and a momentous private conversation between Sanders and Barack Obama Revelatory and heartfelt The Fighting Soul depicts the rare politician motivated by principle not power

**Tipping Points** Liz Wheeler, 2019-08-06 NATIONAL BESTSELLER Terrific BEN SHAPIRO Outstanding DANA

LOESCH The Left is on the attack and the war for our country is at a crucial tipping point Liberals know they're within reach of radically transforming America They don't like the U.S. Constitution They're allergic to Americans' gun culture They find our faith and our devotion to family distasteful And our commitment to liberty positively sends them into a panic As soon as the Democrats get power anywhere they stand ready to throw our God-given rights under the bus of political correctness transgender insanity and socialism the economic system that always promises equality and utopia but somehow always delivers resentment poverty and decay So how can we tip the momentum back in our favor How can we fight effectively for freedom the U.S. Constitution limited government faith and family and the survival of the American Republic Liz Wheeler to the rescue The popular host of One America News Network's Tipping Point with Liz Wheeler is a brilliant and highly effective debater who shows how we can go on the rhetorical attack against the Left and win with a multi-technique program for catching the Left in their inconsistencies and underhanded schemes and skewering them for their bold-faced lies In Tipping Points How to Topple the Left's House of Cards Liz Wheeler identifies the five Tipping Points where liberals are poised to win trains you in her proven debating techniques and deputizes you to take up arms in the fight for our nation's heart and soul It's training you need right now today Our country is at a tipping point And make no mistake if the Left isn't defeated they're taking down America

**Where We Go from Here** Bernie Sanders, 2018-11-27 The inspiring national bestseller from the U.S. Senator and leading Democratic candidate for president about the fierce fight for democracy and social justice and what we need to do next In Where We Go from Here New York Times bestselling author Bernie Sanders reveals the blueprint for his 2020 presidential run by chronicling the day-by-day struggles that he and his progressive colleagues have waged over the last two years in the fight against Donald Trump's reactionary agenda and for a government that works for all not just wealthy campaign contributors At home Sanders has helped lead the fight for Medicare for all fought for workers desperate for higher wages and supported immigrants in the DACA program and children affected by gun violence He has stood with the people of Puerto Rico devastated by Hurricane Maria as well as veterans teachers the incarcerated the persecuted and all those who are too often ignored by Washington Abroad his voice has been clear that we need a foreign policy that strives for peace not war and international cooperation to address the crisis of climate change The good news is we're making progress People all across America are standing up to the most dishonest and reactionary president in our history They're taking on establishment politicians who've turned a blind eye to the concerns of everyday citizens They're fighting back against the oligarchs of Wall Street who would happily see our children do worse than their parents so long as the Dow does better And

the general public continually demonstrates that we are more united than the media would allow us to believe and what we agree on are largely progressive ideals Maintaining a vibrant democracy has never been easy and in these dangerous and unprecedented times it has been more difficult than ever Bernie Sanders shows however that we can repair the damage Trump has done and create a nation based on the principles of economic social racial and environmental justice **The Nation** ,2009 **The Believer** ,2003 **Business Ethics** ,2000 **Cracking the Code** Thom Hartmann,2007 Millions of

working Americans talk act and vote as if their economic interests match those of the megawealthy the multinational corporations and the politicians who do their bidding How did this happen Bestselling author Thom Hartmann says it s because the apologists of the Right have become masters of the subtle and largely subconscious aspects of political communication It s not an escalation in Iraq it s a surge it s not the inheritance tax it s the death tax it s not drilling for oil it s exploring for energy Conservatives didn t intuit the path to persuasive messaging they learned these techniques There is no reason why progressives can t learn them too In Cracking the Code Hartmann shows you how Drawing on his background as a psychotherapist and advertising executive as well as a nationally syndicated Air America radio host he breaks down the science and technology of effective communication so you can apply it to your own efforts to counter right wing disinformation As Hartmann explains political persuasion is as much about biology as ideology about knowing how the brain processes information and how that influences the way people perceive messages make decisions and form a worldview Throughout the book he shows you precisely how to master this technology how to crack the communications code providing examples dating from the time of the Founding Fathers to the present day *Journal of Folklore Research* ,2012

**Chronicles** ,1996 **CrossRoads** ,1996 **Places** ,1986 **BNA's Employment Discrimination Report** ,2000

**The Utne Reader** ,1995 *Against the New Authoritarianism* Henry A. Giroux,2005 Against the New Authoritarianism traces the US descent into authoritarianism the rise of a ruthless market fundamentalism the emergence of a form of religious correctness that substitutes blind faith for critical reason the growing militarization of everyday life the corporate control of all elements of the dominant media and an educational fundamentalism aimed at destroying any vestige of critical education as a foundation for an engaged citizenry and a vibrant democracy Giroux examines the tragic events of Abu Ghraib and analyzes the conditions that made them possible all the while trying to understand the role that education plays in creating violations of human rights that one largely attributes to authoritarian regimes And he describes the need for progressives to develop a language of hope as a condition for critically engaged politics and the emergence of new social formations The book ends with an engaging personal interview with the author *The Deal* ,2009-07
