**The Essential Bernie Sanders and His Vision for America** Jonathan Tasini, 2015-08-24 Meet the essential Bernie Sanders an authentic and uncompromising champion of the people Independent United States Senator Bernie Sanders with a thirty five year career in public service first as Burlington Vermont s mayor then as Vermont s sole representative to Congress and currently as a United States senator is now campaigning to become president of the United States His goal is to build a movement to take back our country from the rich and powerful and return it to its rightful owners we the American people Sanders common sense populist message is resonating with Democrats Republicans independents as well as ordinary working and middle class Americans from all walks of life including millennials seniors veterans immigrants environmentalists union workers and more In this short accessible book author Jonathan Tasini draws heavily from Sanders ample public record of speeches statements and interviews and couples his working class spirit with specific legislation he has championed on a number of core proposals that comprise a broader people s agenda for America including A national single payer health care system Free public higher education Taking on wealth and income inequality Preserving Social Security Caring for our veterans Ensuring civil rights for all Combatting climate change Reforming Wall Street and much more *The Essential Bernie Sanders and His Vision for America* is a must read for anyone who shares a vision for a forward looking sustainable and more just United States of America and is eager to change the course of history *Donald Trump and American Populism* Conley Richard S. Conley, 2020-06-18 Dissecting the populist leadership style of President Donald Trump Places Trump s presidential leadership style within a comparatively historical and political development theoretical framework Considers Trump s use of social media as a form of public politics that represents an adaptation of presidential communication style to new technology while rebuffing the traditional bully pulpit Assesses the impact of Trump s negative rhetoric and efforts to challenge if not delegitimize other national institutions Courts Congress question media truthfulness and his personalization of political opponents Employs case studies to weigh Trump s political strategy from mobilizing grassroots support to foreign diplomacy This book evaluates the presidency of Donald Trump from a comparative historical approach to connect his populist style to his predecessors Trump s method of communication through social media obviously differs from previous candidates and presidents with populist platforms but his themes a disdain for elites grassroots support majoritarianism anti intellectual discourse and nativism borrow variably from such figures as Andrew Jackson Huey Long Barry Goldwater and Ross Perot As such Trump s approach to governance falls within a long tradition of populism dating to the 19th Century **The Democratic Ethos** A. Freya Thimsen, 2022-06-08 A multidisciplinary analysis of the lasting effects of the Occupy Wall Street protest movement What did Occupy Wall Street accomplish While it began as a startling disruption in politics as usual in *The Democratic Ethos* Freya Thimsen argues that the movement s long term importance rests in how its commitment to radical democratic self organization has been adopted within more conventional forms of politics Occupy

changed what counts as credible democratic coordination and how democracy is performed as demonstrated in opposition to corporate political influence rural antifracking activism and political campaigns By comparing instances of progressive politics that demonstrate the democratic ethos developed and promoted by Occupy and those that do not Thimsen illustrates how radical and conventional rhetorical strategies can be brought together to seek democratic change Combining insights from rhetorical studies performance studies political theory and sociology *The Democratic Ethos* offers a set of conceptual tools for analyzing anticorporate democracy movement politics in the twenty first century *Digital Demagogue* Christian Fuchs,2018-02-20 From Covfefe to FraudNewsCNN and FakeNews Donald Trump s tweets have caused an international frenzy He is a reality TV and Twitter President who uses digital and entertainment culture as an ideological weapon as an expression of his authoritarianism This book delves into new political economic structures as expressed through political communication to explain the rise of authoritarian capitalism nationalism and right wing ideology throughout the world Christian Fuchs does this through updating Marxist theory and the Frankfurt School s critical theory He re invigorates the works on authoritarianism of Franz L Neumann Theodor W Adorno Erich Fromm Herbert Marcuse Max Horkheimer Wilhelm Reich Leo Lowenthal and Klaus Theweleit in the age of Trump and Twitter In the age of big data and social media *Digital Demagogue* studies the expressions of ideology nationalism and authoritarianism today and discusses prospects for overcoming capitalism and renewing the Left *Digital Political Communication Strategies* Berta García-Orosa,2021-11-25 This book with a foreword by Manuel Castells explores the core strategies of digital political communication It reviews the field s evolution over the past 25 years and examines the coexistence of old and new actors lobbyists citizens parliaments political parties media outlets digital platforms among others as well as hybrid communication tactics Topics covered include frames fake news filter bubbles echo chambers artificial intelligence the significance of emotions and engagement with citizens As we find ourselves in the fourth wave of digital communication and in the wake of a pandemic which has shaken the foundations of political communication an evaluation of these topics is essential to the reinvention of democracy The book is geared towards students and researchers who wish to delve into the latest trends in digital communication political communication actors and journalists It further aims to prepare citizens to effectively deal with messaging that blurs the line between truth and falsehood with increasingly powerful strategies supported by artificial intelligence **Alternative Media Meets Mainstream Politics** Joshua D. Atkinson,Linda Kenix,2019-05-20 *Alternative Media Meets Mainstream Politics* *Activist Nation Rising* demonstrates the rising role that alternative media play in contemporary mainstream political communication The rise of the modern Internet and social media platforms have allowed for the proliferation of alternative media across society in ways that were not possible twenty years ago Today alternative media have become more intertwined with mainstream media and have become increasingly relevant in mainstream political communication Contributors focus on three primary sites where such media seem to have established growing influence in recent years political parties

mainstream political news and the production of participatory media that allow for engagement Scholars of communication political science sociology and media studies will find this collection useful **Focus On: 100 Most Popular**
