## **Bernie Sanders Zionists:**

*The New Zionists* David L. Graizbord, 2020-05-26 Through a qualitative analysis and broad historical contextualization of personal interviews *The New Zionists* shows how American Jewish Millennials who are not religiously orthodox approach Israel and Zionism as galvanizing solutions to the thinning of American Jewish identity and re root themselves through Israeliness an unselfconscious and largely secular expression of national kinship and solidarity as well as of personal and communal purpose that American Judaism scarcely provides

## **Anti-Zionism and Antisemitism** Alvin H.

Rosenfeld, 2019-01-09 Seventeen essays by scholars examining the links between anti Semitism and attitudes toward Israel in the current political climate How and why have anti Zionism and antisemitism become so radical and widespread This timely and important volume argues convincingly that today's inflamed rhetoric exceeds the boundaries of legitimate criticism of the policies and actions of the state of Israel and conflates anti Zionism with antisemitism The contributors give the dynamics of this process full theoretical political legal and educational treatment and demonstrate how these forces operate in formal and informal political spheres as well as domestic and transnational spaces They offer significant historical and global perspectives of the problem including how Holocaust memory and meaning have been reconfigured and how a singular and distinct project of delegitimization of the Jewish state and its people has solidified This intensive but extraordinarily rich contribution to the study of antisemitism stands out for its comprehensive overview of an issue that is both historical and strikingly timely

*Jews and Leftist Politics* Jack Jacobs, 2017-03-24 The relationships past and present between Jews and the political left remain of abiding interest to both the academic community and the public *Jews and Leftist Politics* contains new and insightful chapters from world renowned scholars and considers such matters as the political implications of Judaism the relationships of leftists and Jews the histories of Jews on the left in Europe the United States and Israel contemporary anti Zionism the associations between specific Jews and Communist parties and the importance of gendered perspectives It also contains fresh studies of canonical figures including Gershom Scholem Gustav Landauer and Martin Buber and examines the affiliations of Jews to prominent institutions calling into question previous widely held assumptions The volume is characterized by judicious appraisals made by respected authorities and sheds considerable light on contentious themes

**Radical Jewish Politics** Nathaniel Deutsch, Alma Rachel Heckman, Tony Michels, 2025-12-09 For the first time this volume centers the rich but little known history of radical Jewish politics in the Middle East and North Africa and puts it into conversation with developments in the Americas South Africa Soviet Asia and Europe Jews were attracted to radical politics in the nineteenth and twentieth centuries to transform the societies they lived in but also out of a deep desire to belong Somewhat paradoxically then radical politics held out the enticing possibility of normalization for Jews even as it frequently resulted in their further alienation or persecution In some cases Jewish radicals sought recognition and autonomy as Jews in others Jews labored to be accepted as full fledged citizens of their home countries in still others they tried to

in 1941 shortly after Soviet socialism s partnership with German socialism Soviet socialism under Stalin and German socialism under Hitler had joined to launch WWII destroying Poland together and going onward from there in a pact to enslave Europe After German socialism was defeated Soviet socialism continued as Sanders grew up to ruin millions of lives and increase its record setting mass murders As a child Sanders had learned about socialism from his parents and other relatives They attended government schools socialist schools in the USA where students were forced to perform the Nazi salute and chant robotically to the flag each morning at the ring of a bell The Pledge of Allegiance to the USA s Flag was the origin of the infamous stiff armed salute and other propagandistic behavior that was borrowed decades later under German socialism and under other socialists worldwide The pledge was written by an American socialist Francis Bellamy in order to spread socialism Anyone who refused the ritual in the socialist schools was persecuted At that time the socialist schools taught racism as official policy and imposed segregation by law Sanders also learned socialism from government schools that he attended and he chanted in unison each morning to the flag too although the gesture had changed to hide socialism s putrid history During Sanders youth the socialist schools continued to teach racism as official policy and continued to impose segregation by law America s Nazi salute was often performed by public officials in the USA from 1892 through 1942 What happened to old photographs and films of the American Nazi salute performed by federal state county and local officials Those photos and films are rare because people don t want to know the truth about the government s past American youth groups Scouting adopted Bellamy s American Nazi salute with Bellamy s encouragement AND saluted swastika badges worn by fellow scouts Many Americans were accustomed to Nazi salutes for swastikas long before German socialism and Hitler Youth adopted similar behavior under Hitler That helps to explain another shocking revelation swastikas were promoted in the US military and worn as a patch on the upper left arm of American soldiers in a fashion that would become uniform under German socialism There are photos in this book
