cozy fantasy novel with a soul restoring queer romance at its heart for fans of *The House in the Cerulean Sea* and *Legends and Lattes* As head phoenix keeper at a world renowned zoo for magical creatures Aila s childhood dream of conserving critically endangered firebirds seems closer than ever There s just one glaring caveat her zoo s breeding program hasn t functioned for a decade When a tragic phoenix heist sabotages the flagship initiative at a neighboring zoo Aila must prove her derelict facilities are fit to take the reins But saving an entire species from extinction requires more than stellar animal handling skills Carnivorous water horses tempestuous thunderhawks mischievous dragons Aila has no problem wrangling beasts But mustering the courage to ask for help from the hotshot griffin keeper at the zoo s most popular exhibit Virtually impossible Especially when that hotshot griffin keeper happens to be her arch rival from college Luciana an annoyingly brooding and insufferable know it all with the face of a goddess who s convinced that Aila s beloved phoenix would serve their cause better as an active performer rather than as a passive conservation exhibit With the world watching and the threat of poachers looming Aila s success is no longer merely a matter of keeping her job She is the keeper of the phoenix and the future of a species and her love life now rests on her shoulders
