tree on his property that is Sycamore Row The handwritten Will was a very conflicted one and changed the life of Jake Black maid Lettie was not entirely sure why her Master did that Not only Lettie it was the question of everyone in Clanton The Will created numerous questions why Lettie What was their relationship What was his problem with his kids When Jake was starting to investigate the case the amount of property surprised him It was unknown by everyone except some of his employees It was 20 million His kids who were never attached with him came in the story then and they wanted their share So they hired their own lawyers When the lawyers many lawyers gather to feed Jake had the honor of presenting the new Will Seth chose him because he respected the Hailey defense Another reason is that he was honest and very much reliable When the other side offered to talk settlement integrity first Jake wasn't in such a rush because he wanted to stretch his payday Judge Atlee was honest too and powerful He gave his support to the honesty and gave no chance to the evils in his court The part is very interesting when Atlee clearly bowled the lawyers when they came with illegal requests in his court Letties daughter helped Jake find the answers of the relationship between Seth and Lettie That was an astonishing part when the answer came It proved that the Will was written by Seth in a very clear mind and without any influence The story has described the critical parts of the case and the war of the money between the kids who are inheritors of the property The fact how money changes everyone was one point to be noticed In this story John Grisham again informed the world that he is one of the best story tellers of this time who can offer the best crime story in this modern era He follows the rules and applied his personal experience and knowledge in this story that directly touches people
