The unprecedeted increase in lesbian representation over the past two decades has paradoxically coincided with queer theory s radical transformation of the study of sexuality In Lesbian Cinema after Queer Theory Clara Bradbury Rance argues that this contradictory context has yielded new kinds of cinematic language through which to give desire visual form By offering close readings of key contemporary films such as Blue Is the Warmest Colour Water Lilies and Carol alongside a broader filmography encompassing over 300 other films released between 1927 and 2018 the book provokes new ways of understanding a changing field of representation Bradbury Rance resists charting a narrative of representational progress or shoring up the lesbian s categorisation in the newly available terms of the visible Instead she argues for a feminist framework that can understand lesbianism s queerness Drawing on a provocative theoretical and visual corpus Lesbian Cinema after Queer Theory reveals the conditions of lesbian legibility in the twenty first century Sexuality and Gender at Home Brent Pilkey,Rachel Scicluna,Ben Campkin,Barbara Penner,2020-05-27 Sexuality and Gender at Home is the first book to explore the meanings and experiences of home through the framework of sexuality Looking at a broad spectrum of sexuality gender and domesticity it examines the many ways in which home is constructed performed and experienced in relation to sexuality and gender Considering identity issues such as age class ethnicity and gender the authors problematize intimacy and question conventional ways of thinking about allegedly private home space Comprehensive introductions to each of the book s three sections on Intimacy and Home Queering Home Beyond Home provide a coherent overview of the existing literature as well as additional historical and cultural context Fourteen chapters present ground breaking research and insights into sexuality gender and home across culture time and space Written by academics from a range of subject disciplines chapters are based on research covering countries including Australia France Sweden the UK the USA Guyana Israel and Singapore This highly original text is the ideal starting point for anyone wishing to get to grips with the emerging field of sexuality
